Contract Authority:

- FAR 6.302-1 Sole Source and no other supplies or services will satisfy agency requirements
 - (i) unsolicited proposal
 - (ii) follow on to competed action for a major system.
 - (iii) rights in data, patent rights, copyrights or secret processes make supplies available from only one source.

Grant Authority: DLMS 2, Chapter 800, Section 836(g):

- (1) A non-competitive award is authorized or required by the statute funding the program.
- (2) The activity to be funded is essential to the satisfactory completion of an activity presently funded by DOL, wherein competition would result in significant or real: harm (further harm) to the public good; expenses in excess of any potential savings to the Government; disruption to program services; duplication of work at additional cost to the Government; or delay in the time of program completion.
- (3) Services are available from only one responsible source and no substitute will suffice; or the recipient has unique qualifications to perform the type of activity to be funded.
- (4) The recipient has submitted an unsolicited proposal that is unique or innovative and has outstanding merit.
- (5) The activity will be conducted by an organization using its own resources or those donated or provided by third parties, and DOL support of the activity would be highly cost effective.
- (6) It is necessary to fund a recipient that has an established relationship with the agency in order to: (A) Maintain an existing facility or capability to furnish services or benefits of particular significance to the agency on a long term basis; or (B) Maintain a capability for investigative, scientific, technical, economic, or sociological research.
- (7) The application for the activity was evaluated under the criteria of the competition for which the application was submitted, was rated high enough to have deserved selection under that competition, and was not selected for funding because the application was mishandled by the Department.
- (8) The Secretary has determined that a noncompetitive award is in the public interest. This authority may not be delegated.
