## § 1150.34

Board, through the Director of the Office of Proceedings, will publish a notice in the FEDERAL REGISTER within 16 days of the filing. A change in operators would follow the provisions at §1150.34, and notice must be given to shippers.

(c) If the notice contains false or misleading information, the exemption is void *ab initio*. A petition to revoke under 49 U.S.C. 10502(d) does not automatically stay the exemption. Stay petitions must be filed at least 7 days before the exemption becomes effective.

(d) Applicant must preserve intact all sites and structures more than 50 years old until compliance with the requirements of Section 106 of the National Historic Preservation Act, 16 U.S.C. 470 is achieved.

(e) If the projected annual revenue of the carrier to be created by a transaction under this exemption exceeds \$5 million, applicant must, at least 60 days before the exemption becomes effective, post a notice of intent to undertake the proposed transaction at the workplace of the employees on the affected line(s) and serve a copy of the notice on the national offices of the labor unions with employees on the affected line(s), setting forth the types and numbers of jobs expected to be available, the terms of employment and principles of employee selection, and the lines that are to be transferred, and certify to the Board that it has done so.
