

§216.27

(b) As specified in section 203, Public Law No. 91-458, 84 Stat. 972 (45 U.S.C. 432), opportunity for review of the Emergency order is provided in accordance with section 554 of title 5 of the U.S.C. Petitions for such review must be submitted in writing to the Office of Chief Counsel, Federal Railroad Administration, Washington, DC 20590. Upon receipt of a petition, FRA will immediately contact the petitioner and make the necessary arrangements for a conference to be held at the earliest date acceptable to the petitioner. At this conference, the petitioner will be afforded an opportunity to submit facts, arguments and proposals for modification or withdrawal of the Emergency order. If the controversy is not resolved at this conference and a hearing is desired, the petitioner must submit a written request for a hearing within fifteen (15) days after the conference. The hearing will commence within fourteen (14) calendar days of receipt of the request and will be conducted in accordance with sections 556 and 575, title 5, U.S.C.

(c) Unless stayed or modified by the Administrator, the requirements of each Emergency order issued under this subpart shall remain in effect and be observed pending decision on a petition for review.

§216.27 Reservation of authority and discretion.

The FRA may issue Emergency orders concerning track without regard to the procedures prescribed in this subpart whenever the Administrator determines that immediate action is required to assure the public safety.

Subpart A—General

§217.1 Purpose.

Through the requirements of this part, the Federal Railroad Administration learns the condition of operating rules and practices with respect to trains and other rolling equipment in the railroad industry, and each railroad is required to instruct its employees in operating practices.

§217.3 Application.

(a) Except as provided in paragraph (b) of this section, this part applies to railroads that operate trains or other rolling equipment on standard gage track which is part of the general railroad system of transportation.

(b) This part does not apply to—

(1) A railroad that operates only on track inside an installation which is not part of the general railroad system of transportation; or

(2) Rapid transit operations in an urban area that are not connected with the general railroad system of transportation.

[40 FR 2690, Jan. 15, 1975, as amended at 54 FR 33229, Aug. 14, 1989]

§217.4 Definitions.

As used in this part—

Class I, Class II, and Class III have the meaning assigned by regulations of the Interstate Commerce Commission (49 CFR part 1201; General Instructions 1-1), as those regulations may be revised and applied by order of the Commission (including modifications in class thresholds based revenue deflator adjustments).

Division headquarters means the location designated by the railroad where a high-level operating manager (*e.g.*, a superintendent, division manager, or equivalent), who has jurisdiction over a portion of the railroad, has an office.
