

(4) Within ten calendar days of receipt of a request for expedited processing, the proper component will decide whether to grant it and will notify the requestor of the decision. If a request for expedited treatment is granted, the request will be given priority and will be processed as soon as practicable. If a request for expedited processing is denied, any appeal of that decision will be acted on expeditiously.

§ 7.32 Final determinations.

(a) A determination with respect to any appeal made pursuant to § 7.21 will be made within twenty Federal working days after receipt of such appeal except that this time limit may be extended by up to ten Federal working days in accordance with § 7.33. The person making the request will be notified immediately of such determination pursuant to § 7.21.

(b) *In general.* Components ordinarily will respond to appeals according to their order of receipt.

(c) *Multitrack processing.* (1) A component may use two or more processing tracks by distinguishing between simple and more complex appeals based on the amount of work and/or time needed to process the appeal, or on the number of pages involved.

(2) A component using multitrack processing may provide persons making appeals in its slower track(s) with an opportunity to limit the scope of their appeals in order to qualify for faster processing within the specified limits of the component's faster track(s). A component doing so will contact the person making the appeal either by telephone, letter, facsimile, or electronic mail, whichever is most efficient in each case.

(d) *Expedited processing.* (1) An appeal will be taken out of order and given expedited treatment whenever a compelling need is demonstrated and it is determined that the compelling need involves:

(i) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;

(ii) A request made by a person primarily engaged in disseminating information, with an urgency to inform the

public of actual or alleged Federal Government activity.

(2) A request for expedited processing may be made at the time of the appeal or at any later time. For a prompt determination, a request for expedited processing must be received by the proper component, which is the component that is processing the appeal for the records requested.

(3) A requestor who seeks expedited processing must submit a statement, certified to be true and correct to the best of that person's knowledge and belief, explaining in detail the basis for requesting expedited processing. For example, a requestor within the category in § 7.31(c)(1)(ii), if not a full-time member of the news media, must establish that he or she is a person whose main professional activity or occupation is information dissemination, though it need not be his or her sole occupation. A requestor within the category in § 7.31(c)(1)(ii) also must establish a particular urgency to inform the public about the government activity involved in the request, beyond the public's right to know about government activity generally. The formality of certification may be waived as a matter of discretion. A person who was granted expedited processing under § 7.31 need merely certify that the same circumstances apply.

(4) Within ten calendar days of receipt of a request for expedited processing, the proper component will decide whether to grant it and will notify the requestor of the decision. If a request for expedited treatment is granted, the appeal will be given priority and will be processed as soon as practicable. If a request for expedited processing of an appeal is denied, no further administrative recourse is available.

§ 7.33 Extension.

(a) In unusual circumstances as specified in this section, the time limits prescribed in § 7.31 and § 7.32 may be extended by written notice to the person making the request setting forth the reasons for such extension and the date on which a determination is expected to be dispatched. Such notice may not specify a date that would result in a cumulative extension of more than 10

§ 7.41

Federal working days without providing the requestor an opportunity to modify the request as noted in this section. As used in this paragraph, “unusual circumstances” means, but only to the extent reasonably necessary to the proper processing of the particular request:

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request.

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request; or

(3) The need for consultation, which will be conducted with all practicable speed, with any other agency or DOT component having a substantial interest in the determination of the request or among two or more components of the agency having substantial subject-matter interest therein.

(b) Where the extension is for more than 10 working days, the DOT component will provide the requestor with an opportunity either to modify the request so that it may be processed within the time limits or to arrange an alternative time period with the component for processing the request or a modified request.

(c) Where a component reasonably believes that multiple requests submitted by a requestor, or by a group of requesters acting in concert, constitute a single request that would otherwise involve unusual circumstances, and the requests involve clearly related matters, they may be aggregated for the purposes of fees and processing activities. Multiple requests involving unrelated matters will not be aggregated.

Subpart F—Fees

§ 7.41 General.

(a) This subpart prescribes fees for services performed for the public under subparts B and C of this part by DOT.

(b) All terms defined by FOIA apply to this subpart, and the term “hourly rate” means the actual hourly base pay for a civilian employee or, for members of the Coast Guard, the equivalent hourly pay rate computed using a 40-

49 CFR Subtitle A (10–1–07 Edition)

hour week and the member’s normal basic pay and allowances.

(c) This subpart applies to all employees of DOT, including those of non-appropriated fund activities of the Coast Guard and the Maritime Administration.

(d) This subpart does not apply to any special study, special statistical compilation, table, or other record requested under 49 U.S.C. 329(c). The fee for the performance of such a service is the actual cost of the work involved in compiling the record. All such fees received by DOT in payment of the cost of such work are deposited in a separate account administered under the direction of the Secretary, and may be used for the ordinary expenses incidental to providing the information.

(e) This subpart does not apply to requests from record subjects for records about themselves in DOT systems of records, which are determined in accordance with the Privacy Act, as implemented by DOT regulations (49 CFR part 10).

§ 7.42 Payment of fees.

(a) The fees prescribed in this subpart may be paid by check, draft, or money order, payable to the DOT component where fees were incurred, for deposit in the General Fund of the Treasury of the United States, *e.g.* DOT/FAA.

(b) Charges may be assessed by DOT for time spent searching for requested records even if the search fails to locate records or the records located are determined to be exempt from disclosure. In addition, if records are requested for commercial use, DOT may assess a fee for time spent reviewing any responsive records located to determine whether they are exempt from disclosure.

(c) When it is estimated that the search charges, review charges, duplication fees, or any combination of fees that could be charged to the requestor will likely exceed US \$25, the requestor will be notified of the estimated amount of the fees, unless the requestor has indicated in advance his or her willingness to pay fees as high as those anticipated. In cases where a requestor has been notified that actual or estimated fees may amount to more than US \$25, the request will be deemed
