Subpart I—Special Rules Applicable to Proceedings Involving Emergency and Other Immediately Effective Orders

§ 821.52 General.

(a) *Applicability.* This subpart shall apply to any order issued by the Administrator under 49 U.S.C. 44709 as an emergency order, as an order not designated as an emergency order but later amended to be an emergency order, and any order designated as immediately effective or effective immediately.

(b) *Effective date of emergency.* The procedure set forth herein shall apply as of the date on which written advice of the emergency character of the Administrator's order is received and docketed by the Board.

(c) *Computation of time.* Time shall be computed in accordance with the provisions of § 821.10.

(d) *Waiver.* Except as provided in § 821.54(f), or where the law judge or the Board determines that it would unduly burden another party or the Board, a certificate holder (respondent) affected by an emergency or other immediately effective order of the Administrator may, at any time after filing an appeal from such an order, waive the applicability of the accelerated time limits of this subpart; however, such a waiver shall not serve to lengthen any period of time for doing an act prescribed by this subpart which expired before the date on which the waiver was made.

§ 821.53 Appeal.

(a) *Time within which to file appeal.* An appeal from an emergency or other immediately effective order of the Administrator must be filed within 10 days after the date on which the Administrator's order was served on the respondent. § 821.54 Petition for review of Administrator's determination of emergency.

(a) *Time within which to file petition.* A respondent may, within 2 days after the date of receipt of an emergency or other immediately effective order of the Administrator, file with the Board a petition for review of the Administrator's determination that an emergency, requiring the order to be effective immediately, exists. This 2-day time limit is statutory and the Board has no authority to extend it. If the respondent has not previously filed an appeal from the Administrator's emergency or other immediately effective order, the petition shall also be considered a simultaneously filed appeal from the order under § 821.53.

(b) *Form, content and service of petition.* The petition may be in letter form. A copy of the Administrator's order, from which review of the emergency determination is sought, must be attached to the petition. If a copy of the order is not attached, the petition will be dismissed. While the petition need only request that the Board review the Administrator's determination as to the existence of an emergency requiring the order be effective immediately, it may also enumerate the respondent's reasons for believing that the Administrator's emergency determination is not warranted in the interest of aviation safety. The petition must be filed with the Board by overnight delivery service or facsimile and simultaneously served on the Administrator by the same means.

(c) *Reply to petition.* If the petition enumerates the respondent's reasons for believing that the Administrator's emergency determination is unwarranted, the Administrator may, within 2 days after the date of service of the petition, file a reply, which shall be strictly limited to matters of rebuttal. Such reply must be filed with the Board by overnight delivery service or facsimile and simultaneously served on the respondent by the same means.
