

§ 821.56

§ 821.19 shall apply, modified as necessary to meet the exigencies of this subpart's accelerated timeframes.

§ 821.56 Hearing and initial decision or appealable order of law judge.

(a) *Notice of hearing.* Within 3 days after the date on which the Board receives the Administrator's complaint, or immediately upon the issuance of a law judge's order disposing of a petition for review of the Administrator's emergency determination, if later, the parties shall be served with a written notice of hearing, setting forth the date, time and place of the hearing. The hearing shall be set for a date no later than 30 days after the date on which the respondent's appeal was received and docketed. To the extent that they are not inconsistent with this section, the provisions of § 821.37(a) shall also apply.

(b) *Conduct of hearing.* The provisions of §§ 821.38, 821.39 and 821.40, concerning the taking of evidence, argument and submissions by the parties, and the composition of the hearing record, shall apply to proceedings governed by this subpart.

(c) *Initial decision and effect of initial decision or appealable order.* The law judge's initial decision shall be made orally on the record at the termination of the hearing. The provisions of § 821.42, concerning the content of the initial decision, the furnishing of copies of the initial decision to the parties and the issuance date of the initial decision, and the provisions of § 821.43, concerning the effect of the law judge's initial decision or appealable order and any appeal therefrom, shall apply to proceedings governed by this subpart.

§ 821.57 Procedure on appeal.

(a) *Time within which to file notice of appeal.* A party may appeal from a law judge's initial decision or appealable order by filing with the Board, and simultaneously serving on the other parties, a notice of appeal, within 2 days after the date on which the initial decision was orally rendered or the appealable order was served. The time limitations for the filing of documents respecting appeals governed by this subpart will not be extended by reason of

49 CFR Ch. VIII (10-1-07 Edition)

the unavailability of the hearing transcript.

(b) *Briefs and oral argument.* Each appeal in proceedings governed by this subpart must be perfected, within 5 days after the date on which the notice of appeal was filed, by the filing, and simultaneous service on the other parties, of a brief in support of the appeal. Any other party to the proceeding may file a brief in reply to the appeal brief within 7 days after the date on which the appeal brief was served on that party. A copy of the reply brief shall simultaneously be served on the appealing party and any other parties to the proceeding. Unless otherwise authorized by the Board, all briefs in connection with appeals governed by this subpart must be filed and served by overnight delivery service, or by facsimile confirmed by personal or first-class mail delivery of the original. Aside from the time limits and methods of filing and service specifically mandated by this paragraph, the provisions of § 821.48 shall apply.

(c) *Issues on appeal.* The provisions of § 821.49(a) shall apply in proceedings governed by this subpart.

(d) *Petition for rehearing, reargument, reconsideration or modification of order.* The only petitions for rehearing, reargument, reconsideration or modification of an order which the Board will entertain in proceedings governed by this subpart are those based on the ground that new matter has been discovered. Such petitions must:

- (1) Set forth the new matter;
- (2) Contain affidavits of prospective witnesses, authenticated documents, or both, or an explanation of why such substantiation is unavailable; and
- (3) Contain a statement explaining why such new matter could not have been discovered in the exercise of due diligence prior to the date on which the evidentiary record closed.

Subpart J—Ex Parte Communications

AUTHORITY: Sec. 4, Pub. L. 94-409, 5 U.S.C. 556(d) and 557; 49 U.S.C. 1101-1155, 44701-44723, 46301.

§ 821.60 Definitions.

As used in this subpart:
