

§ 600.240

(2) A request must include a full statement in support of the review, including a concise statement as to why the Council's decision did or did not have a significantly disproportionate benefit to the financial interest of the affected individual relative to the financial interests of other participants in the same gear type or sector of the fishery, and why the designated official's determination should be reversed.

(3) If the request for review is from a Council member other than the affected individual whose vote is at issue, the requester must provide a copy of the request to the affected individual at the same time it is submitted to the NOAA General Counsel. The affected individual may submit a response to the NOAA General Counsel within 10 days from the date of his/her receipt of the request for review.

(4) The NOAA General Counsel must complete the review and issue a decision within 30 days from the date of receipt of the request for review. The NOAA General Counsel will limit the review to the record before the designated official at the time of the determination, the request, and any response.

(h) *Exemption from other statutes.* The provisions of 18 U.S.C. 208 regarding conflicts of interest do not apply to an affected individual who is in compliance with the requirements of this section for filing a financial disclosure report.

(i) *Violations and penalties.* It is unlawful for an affected individual to knowingly and willfully fail to disclose, or to falsely disclose, any financial interest as required by this section, or to knowingly vote on a Council decision in violation of this section. In addition to the penalties applicable under § 600.735, a violation of this provision may result in removal of the affected individual from Council membership.

[63 FR 64185, Nov. 19, 1998]

§ 600.240 Security assurances.

(a) DOC/OS will issue security assurances to Council nominees and members following completion of background checks. Security assurances will be valid for 5 years from the date

50 CFR Ch. VI (10-1-07 Edition)

of issuance. A security assurance will not entitle the member to access classified data. In instances in which Council members may need to discuss, at closed meetings, materials classified for national security purposes, the agency or individual (e.g., DOS, USCG) providing such classified information will be responsible for ensuring that Council members and other attendees have the appropriate security clearances.

(b) Each nominee to a Council is required to complete a Certification of Status form ("form"). All nominees must certify, pursuant to the Foreign Agents Registration Act of 1938, whether they serve as an agent of a foreign principal. Each nominee must certify, date, sign, and return the form with his or her completed nomination kit. Nominees will not be considered for appointment to a Council if they have not filed this form. Any nominee who currently is an agent of a foreign principal will not be eligible for appointment to a Council, and therefore should not be nominated by a Governor for appointment.

§ 600.245 Council member compensation.

(a) All voting Council members whose eligibility for compensation has been established in accordance with NOAA guidelines will be paid through the cooperative agreement as a direct line item on a contractual basis without deductions being made for Social Security or Federal and state income taxes. A report of compensation will be furnished each year by the member's Council to the proper Regional Program Officer, as required by the Internal Revenue Service. Such compensation may be paid on a full day's basis, whether in excess of 8 hours a day or less than 8 hours a day. The time is compensable where the individual member is required to expend a significant private effort that substantially disrupts the daily routine to the extent that a work day is lost to the member. "Homework" time in preparation for formal Council meetings is not compensable.

(b) Non-government Council members receive compensation for:

Fishery Conservation and Management

§ 600.305

(1) Days spent in actual attendance at a meeting of the Council or jointly with another Council.

(2) Travel on the day preceding or following a scheduled meeting that precluded the member from conducting his normal business on the day in question.

(3) Meetings of standing committees of the Council if approved in advance by the Chair.

(4) Individual member meeting with scientific and technical advisors, when approved in advance by the Chair and a substantial portion of any day is spent at the meeting.

(5) Conducting or attending hearings, when authorized in advance by the Chair.

(6) Other meetings involving Council business when approved in advance by the Chair.

(c) The Executive Director of each Council must submit to the appropriate Regional Office annually a report, approved by the Council Chair, of Council member compensation authorized. This report shall identify, for each member, amount paid, dates, and location and purpose of meetings attended.

[61 FR 32540, June 24, 1996, as amended at 63 FR 7075, Feb. 12, 1998; 66 FR 57888, Nov. 19, 2001]

Subpart D—National Standards

§ 600.305 General.

(a) *Purpose.* (1) This subpart establishes guidelines, based on the national standards, to assist in the development and review of FMPs, amendments, and regulations prepared by the Councils and the Secretary.

(2) In developing FMPs, the Councils have the initial authority to ascertain factual circumstances, to establish management objectives, and to propose management measures that will achieve the objectives. The Secretary will determine whether the proposed management objectives and measures are consistent with the national standards, other provisions of the Magnuson-Stevens Act, and other applicable law. The Secretary has an obligation under section 301(b) of the Magnuson-Stevens Act to inform the Councils of the Secretary's interpretation of the national

standards so that they will have an understanding of the basis on which FMPs will be reviewed.

(3) The national standards are statutory principles that must be followed in any FMP. The guidelines summarize Secretarial interpretations that have been, and will be, applied under these principles. The guidelines are intended as aids to decisionmaking; FMPs formulated according to the guidelines will have a better chance for expeditious Secretarial review, approval, and implementation. FMPs that are in substantial compliance with the guidelines, the Magnuson-Stevens Act, and other applicable law must be approved.

(b) *Fishery management objectives.* (1) Each FMP, whether prepared by a Council or by the Secretary, should identify what the FMP is designed to accomplish (i.e., the management objectives to be attained in regulating the fishery under consideration). In establishing objectives, Councils balance biological constraints with human needs, reconcile present and future costs and benefits, and integrate the diversity of public and private interests. If objectives are in conflict, priorities should be established among them.

(2) How objectives are defined is important to the management process. Objectives should address the problems of a particular fishery. The objectives should be clearly stated, practicably attainable, framed in terms of definable events and measurable benefits, and based upon a comprehensive rather than a fragmentary approach to the problems addressed. An FMP should make a clear distinction between objectives and the management measures chosen to achieve them. The objectives of each FMP provide the context within which the Secretary will judge the consistency of an FMP's conservation and management measures with the national standards.

(c) *Word usage.* The word usage refers to all regulations in this subpart.

(1) *Must* is used, instead of "shall", to denote an obligation to act; it is used primarily when referring to requirements of the Magnuson-Stevens Act, the logical extension thereof, or of other applicable law.
