## § 151.14

Director will issue a final notice of adverse determination. The final notice of adverse determination will state the specific grounds for the immediate suspension or revocation, direct the gauger to cease performing any Customs-approved functions, and advise the gauger that it may choose to pursue one of the following two options:

(A) Submit a new application for approval, in accordance with the provisions of paragraph (d)(1) of this section, 180 days after the date of the final notice of nonselection; or

(B) Administratively appeal the final notice of adverse determination to the Assistant Commissioner within 30 calendar days of the date of the final notice of adverse determination.

(ii) Proposed suspension, revocation, or assessment of monetary penalty—(A) Preliminary notice. Where the suspension or revocation of approval, and/or the assessment of a monetary penalty is proposed, the Executive Director will issue a preliminary notice of proposed action. The preliminary notice of proposed action will state the specific grounds for the proposed action, inform the gauger that it may continue to perform those functions requiring Customs-approval until the Executive Director's final notice is issued, and advise the gauger that it may file a response addressing the grounds for the action proposed with the Executive Director within 30 calendar days of the date the preliminary notice of proposed action was received by the gauger. The gauger may respond by accepting responsibility, explaining extenuating circumstances, and/or providing rebuttal evidence. The gauger also may ask for a meeting with the Executive Director or his designee to discuss the proposed action.

(B) Final notice—(1) Based on non-response. If the gauger does not respond to the preliminary notice of proposed action, the Executive Director will issue a final notice of adverse determination within 60 calendar days of the date the preliminary notice of proposed action was received by the gauger. The final notice of adverse determination will state the specific grounds for the adverse determination, direct the gauger to cease performing any Customs-approved functions, and advise

the gauger that it may choose to pursue one of the two options provided at paragraphs (i)(2)(i)(A) and (B) of this section.

- (2) Based on response. If the gauger files a timely response, the Executive Director will issue a final determination regarding the status of the gauger's approval within 30 calendar days of the date the gauger's response is received by the Executive Director. If this final determination is adverse to the gauger, then the final notice of adverse determination will state the specific grounds for the adverse action, advise the gauger to cease performing any functions requiring Customs approval, and advise the gauger that it may choose to pursue one of the two provided at paragraphs options (i)(2)(i))(A) and (B) of this section.
- (3) Publication of final notices of adverse determination. Any final notices of adverse determination issued by the Executive Director resulting in a gauger being directed to cease performing Customs-approved functions will be published in the FEDERAL REGISTER and Customs Bulletin and the notice published will include the effective date, duration, and scope of the determination.
- (4) Appeal decision. The Assistant Commissioner will issue a decision on the appeal within 30 calendar days of the date the appeal is received. If the appeal decision is adverse to the gauger, then the decision notice will advise the gauger that it may choose to pursue one of the following two options:
- (i) Submit a new application for approval, in accordance with the provisions of paragraph (d)(1) of this section, 120 days after the date of the appeal decision: or
- (ii) File an action with the Court of International Trade, pursuant to chapter 169 of title 28, United States Code, within 60 calendar days of the date of the appeal decision.

## §151.14 Use of commercial laboratory tests in liquidation.

The analysis method for crude petroleum contained in ASTM D96 or other approved analysis method and as determined by a Customs-accredited commercial laboratory shall be used for Customs purposes if the difference between the value found by the commercial laboratory and the value found by the Customs laboratory does not exceed 0.11 percent. If the difference exceeds this limit and the Customs-accredited commercial laboratory cannot establish that Customs is in error, then the Customs results shall be used.

## § 151.15 Movement of merchandise to a centralized examination station.

(a) Permission to transfer merchandise for examination. When a shipment requires examination at a centralized examination station (CES), Customs Form 3461, or Customs Form 3461 (ALT) for land border cargo, or an attachment to either, may be used to request permission to transfer the merchandise to a CES. The entry filer must write, type or stamp the following lines on the form or attachment, and must supply the information called for on the first three lines:

Containers to be transferred: Al Container #'s,,	ll or,
To CES	•
Approved by: U.S. Customs Inspector_	
Date •	

Unless the port director exercises his authority pursuant to paragraph (d) of this section, the reviewing inspector will initial and date the form or attachment being used, or stamp one copy of the Customs Form 3461 or 3461 (ALT) if required by the port director. A copy of this document will act as notification and authorization to the entry filer that the merchandise must be transferred to the importer-designated CES unless another CES is designated by the port director under paragraph (d) of this section.

(b) Assumption of liability during transfer. Merchandise designated for examination may be transferred from the importing carrier's point of unlading or from a bonded facility, to a CES, only if the transfer takes place under bond. The entry filer shall select one of the following bonded movements for the

transfer to the CES unless the type of bonded movement to be used is specified by the port director under paragraph (d) of this section:

- (1) If the merchandise is transferred directly to a CES by an importing carrier, the importing carrier shall remain liable under the terms of its international carrier bond for the proper safekeeping and delivery of the merchandise until it is receipted for by the CES operator.
- (2) If the merchandise is transferred directly from a bonded carrier's facility to a CES or is delivered directly to the CES by a bonded carrier, the bonded carrier shall remain liable under the terms of its custodial bond for the proper safekeeping and delivery of the merchandise until it is receipted for by the CES operator.
- (3) If containerized cargo, including excess loose cargo that is part of the containerized cargo, is transferred to a CES operator's own facility using his own vehicles, the CES operator shall be liable under the terms of his custodial bond for the proper safekeeping and delivery of the merchandise to the CES facility.
- (4) If the importer or his agent acting as importer of record transfers the merchandise to a CES, that importer or agent shall assume liability under his importation and entry bond (see §151.7(d) of this part) for the proper transfer of the merchandise until it is receipted for by the CES operator.
- (c) Annual blanket transfer. Port directors may institute an annual blanket transfer application procedure to facilitate any of the bonded movements described in paragraph (b) of this section.
- (d) Designation of bonded movement and CES to be used. In the event the port director deems it necessary, he may direct the type of bonded movement to be used to transfer merchandise to a CES and may designate the CES at which examination must take place. In either case the port director's action will be noted on the Customs Form 3461 or 3461 (ALT) or attachment thereto.
