

Commission or the U.S. Customs Service in making the determinations described in paragraph (a)(1) of this section.

(b) *Form and detail of reports.* Reports under paragraph (a) of this section are to be in writing, under oath, and in such detail and in such form as the Commission prescribes.

(c) *Power to enforce informational requirements.* Terms and conditions of exclusion orders, cease and desist orders, and consent orders for reporting and information gathering shall be enforceable by the Commission by a civil action under 19 U.S.C. §1333, or, at the Commission's discretion, in the same manner as any other provision of the exclusion order, cease and desist order, or consent order is enforced.

(d) *Term of reporting requirement.* An exclusion order, cease and desist order, or consent order may provide for the frequency of reporting or information gathering and the date on which these activities are to terminate. If no date for termination is provided, reporting and information gathering shall terminate when the exclusion order, cease and desist order, or consent order or any amendment to it expires by its own terms or is terminated.

#### § 210.72 Confidentiality of information.

Confidential information (as defined in §201.6(a) of this chapter) that is provided to the Commission pursuant to exclusion order, cease and desist order, or consent order will be received by the Commission in confidence. Requests for confidential treatment shall comply with §201.6 of this chapter. The restrictions on disclosure and the procedures for handling such information (which are set out in §§210.5 and 210.39) shall apply and, in a proceeding under §§210.75 or 210.76, the Commission or the presiding administrative law judge may, upon motion or sua sponte, issue or continue appropriate protective orders.

#### § 210.73 Review of reports.

(a) *Review to insure compliance.* The Commission, through the Office of Unfair Import Investigations, will review reports submitted pursuant to any exclusion order, cease and desist order, or consent order and conduct such further

investigation as it deems necessary to insure compliance with its orders.

(b) *Extension of time.* The Director of the Office of Unfair Import Investigations may, for good cause shown, extend the time in which reports required by exclusion orders, cease and desist orders, and consent orders may be filed. An extension of time within which a report may be filed, or the filing of a report that does not evidence full compliance with the order, does not in any circumstances suspend or relieve a respondent from its obligation under the law with respect to compliance with such order.

#### § 210.74 Modification of reporting requirements.

(a) *Exclusion and cease and desist orders.* The Commission may modify reporting requirements of exclusion and cease and desist orders as necessary:

(1) To help the Commission assist the U.S. Customs Service in ascertaining that there has been compliance with an outstanding exclusion order;

(2) To help the Commission ascertain that there has been compliance with a cease and desist order;

(3) To take account of changed circumstances; or

(4) To minimize the burden of reporting or informational access.

An order to modify reporting requirements shall identify the reports involved and state the reason or reasons for modification. No reporting requirement will be suspended during the pendency of such a modification unless the Commission so orders. The Commission may, if the public interest warrants, announce that a modification of reporting is under consideration and ask for comment, but it may also modify any reporting requirement at any time without notice, consistent with the standards of this section.

(b) *Consent orders.* Consistent with the standards set forth in paragraph (a) of this section, the Commission may modify reporting requirements of consent orders. The Commission shall serve notice of any proposed change, together with the reporting requirements to be modified and the reasons therefor, on each party subject to the consent order. Such parties shall be given the opportunity to submit briefs

to the Commission, and the Commission may hold a hearing on the matter. Notice of any proposed change in the reporting requirements will be published in the FEDERAL REGISTER if the Commission determines to solicit public comment on the proposed change.

### **§210.75 Proceedings to enforce exclusion orders, cease and desist orders, consent orders, and other Commission orders.**

(a) *Informal enforcement proceedings.* Informal enforcement proceedings may be conducted by the Commission, through the Office of Unfair Import Investigations, with respect to any act or omission by any person in possible violation of any provision of an exclusion order, cease and desist order, or consent order. Such matters may be handled by the Commission through correspondence or conference or in any other way that the Commission deems appropriate. The Commission may issue such orders as it deems appropriate to implement and insure compliance with the terms of an exclusion order, cease and desist order, or consent order, or any part thereof. Any matter not disposed of informally may be made the subject of a formal proceeding pursuant to this subpart.

(b) *Formal enforcement proceedings.* (1) The Commission may institute an enforcement proceeding at the Commission level upon the filing by the complainant in the original investigation or his successor in interest, by the Office of Unfair Import Investigations, or by the Commission of a complaint setting forth alleged violations of any exclusion order, cease and desist order, or consent order. If a proceeding is instituted, the complaint shall be served upon the alleged violator and a notice of institution published in the FEDERAL REGISTER. Within 15 days after the date of service of such a complaint, the named respondent shall file a response to it. Responses shall fully advise the Commission as to the nature of any defense and shall admit or deny each allegation of the complaint specifically and in detail unless the respondent is without knowledge, in which case its answer shall so state and the state-

ment shall operate as a denial. Allegations of fact not denied or controverted may be deemed admitted. Matters alleged as affirmative defenses shall be separately stated and numbered.

(2) Upon the failure of a respondent to file and serve a response within the time and in the manner prescribed herein the Commission, in its discretion, may find the facts alleged in the complaint to be true and take such action as may be appropriate without notice or hearing, or, in its discretion, proceed without notice to take evidence on the allegations set forth in the complaint, provided that the Commission (or administrative law judge, if one is appointed) may permit late filings of an answer for good cause shown.

(3) The Commission, in the course of a formal enforcement proceeding under this section may hold a public hearing and afford the parties to the enforcement proceeding the opportunity to appear and be heard. The hearing will not be subject to sections 554, 555, 556, 557, and 702 of title 5 of the United States Code. The Commission may delegate the hearing to the chief administrative law judge for designation of a presiding administrative law judge, who shall certify an initial determination to the Commission. That initial determination shall become the determination of the Commission 90 days after the date of service of the initial determination, unless the Commission, within 90 days after the date of such service shall have ordered review of the initial determination on certain issues therein, or by order shall have changed the effective date of the initial determination.

(4) Upon conclusion of a formal enforcement proceeding under this section, the Commission may:

(i) Modify a cease and desist order, consent order, and/or exclusion order in any manner necessary to prevent the unfair practices that were originally the basis for issuing such order;

(ii) Bring civil actions in a United States district court pursuant to paragraph (c) of this section (and section 337(f)(2) of the Tariff Act of 1930) requesting the imposition of a civil penalty or the issuance of injunctions incorporating the relief sought by the Commission; or
