

§ 361.104

number. The refreshed form containing the submitted information and the newly issued import license number will appear on the screen (the "import license form"). If needed, copies of completed import license forms can be requested from Commerce during normal business hours.

(d) *Duration of the Mexican Cement import license.* The Mexican Cement import license can be applied for up to 30 days prior to the expected date of importation and until the date of filing of USCBP Form 7501, or in the case of FTZ entries, the filing of USCBP Form 214. The Mexican Cement import license is valid for 60 days; however, import licenses that were valid on the date of importation but expired prior to the filing of USCBP Form 7501 will be accepted.

(e) *Correcting submitted license information.* If an error is discovered in the import license after the entry date listed on USCBP Form 7501, filers will be

19 CFR Ch. III (4-1-08 Edition)

able to correct the import license or cancel the import license and obtain a new import license. Commerce reserves the right to verify any changes made to an import license after entry and may take appropriate action under the terms of the Agreement if it determines that a violation of the Agreement has occurred.

§ 361.104 Fees.

No fees will be charged for obtaining a user identification number or issuing a Mexican Cement import license.

§ 361.105 Hours of operation.

The automatic licensing system will generally be accessible 24 hours a day, 7 days a week but may be down at selected times for server maintenance. If the system is down for an extended period of time, parties will be able to obtain import licenses from Commerce directly via fax during regular business hours.
