AMOUNTS OF WAGE CREDITS AND LIMITS ON THEIR USE

§ 404.1340 Wage credits for World War II and post-World War II veterans.

In determining your entitlement to, and the amount of, your monthly benefit or lump-sum death payment based on your active service during the World

War II period or the post-World War II period, and for establishing a period of disability as discussed in §§ 404.132 and 404.133, we add the (deemed) amount of \$160 for each month during a part of which you were in the active service as described in § 404.1312 or § 404.1322. For example, if you were in active service from October 11, 1942, through August 10, 1943, we add the (deemed) amount of \$160 for October 1942 and August 1943 as well as November 1942 through July 1943. The amount of wage credits that are added in a calendar year cannot cause the total amount credited to your earnings record to exceed the annual earnings limitation explained in §§ 404.1047 and 404.1096(b).

§ 404.1341 Wage credits for a member of a uniformed service.

(a) *General.* In determining your entitlement to, and the amount of your monthly benefit (or lump sum death payment) based on your wages while on active duty as a member of the uniformed service from 1957 through 2001, and for establishing a period of disability as discussed in § 404.132, we add wage credits to the wages paid you as a member of that service. The amount of the wage credits, the applicable time periods, the wage credit amount limits, and the requirement of a minimum period of active duty service for granting these wage credits, are discussed in paragraphs (b), (c), and (d) of this section.

(b) *Amount of wage credits.* The amount of wage credits added is—

(1) \$100 for each \$300 in wages paid to you for your service in each calendar year from 1978 through 2001; and

(2) \$300 for each calendar quarter in 1957 through 1977, regardless of the amount of wages actually paid you during that quarter for your service.

(c) *Limits on wage credits.* The amount of these wage credits cannot exceed—

(1) \$1200 for any calendar year, or

(2) An amount which when added to other earnings causes the total earnings for the year to exceed the annual earnings limitation explained in §§ 404.1047 and 404.1096(b).

(d) *Minimum active-duty service requirement.* (1) If you enlisted for the first time in a regular component of

§ 404.1342 Limits on granting World War II and post-World War II wage credits.

(a) You get wage credits for World War II or post-World War II active service only if the use of the wage credits results in entitlement to a monthly benefit, a higher monthly benefit, or a lump-sum death payment.

(b) You may get wage credits for active service in July 1947 for either the World War II period or the post-World War II period but not for both. If your active service is before and on or after July 25, 1947, we add the \$160 wage credit to the period which is most advantageous to you.

(c) You do not get wage credits for the World War II period if another Federal benefit (other than one payable by the Veterans Administration) is determined by a Federal agency or an instrumentality owned entirely by the United States to be payable to you, even though the Federal benefit is not actually paid or is paid and then terminated, based in part on your active service during the World War II period except as explained in § 404.1343.

(d) You do not get wage credits for the post-World War II period if another Federal benefit (other than one payable by the Veterans Administration) is determined by a Federal agency or an instrumentality owned entirely by the United States to be payable to you, even though the Federal benefit is not actually paid or is paid and then terminated, based in part on your active service during the post-World War II period except as explained in § 404.1343.
