

Social Security Administration

§ 404.1626

accurate and prompt disability determinations.

(b) *Location of facilities.* Subject to appropriate Federal funding, the State will determine the location where the disability determination function is to be performed so that disability determinations are made accurately and promptly.

(c) *Access.* The State will permit us access to the premises where the disability determination function is performed and also where it is managed for the purposes of inspecting and obtaining information about the work and activities required by our regulations and assuring compliance with pertinent Federal statutes and regulations. Access includes personal onsite visits and other means, such as telecommunications, of contacting the State agency to obtain information about its functions. We will contact the State agency and give reasonable prior notice of the times and purposes of any visits.

§ 404.1624 Medical and other purchased services.

Subject to the provisions of § 405.805(b)(2) of this chapter in claims adjudicated under the procedures in part 405 of this chapter, the State will determine the rates of payment to be used for purchasing medical or other services necessary to make determinations of disability. The rates may not exceed the highest rate paid by Federal or other agencies in the State for the same or similar type of service. The State will maintain documentation to support the rates of payment it uses.

[46 FR 29204, May 29, 1981, as amended at 71 FR 16445, Mar. 31, 2006]

§ 404.1625 Records and reports.

(a) The State will establish and maintain the records and furnish the schedules, financial, cost, and other reports relating to the administration of the disability programs as we may require.

(b) The State will permit us and the Comptroller General of the United States (including duly authorized representatives) access to and the right to

examine records relating to the work which the State performs under these regulations. These records will be retained by the State for the periods of time specified for retention of records in the Federal Procurement Regulations (41 CFR parts 1-20).

§ 404.1626 Fiscal.

(a) We will give the State funds, in advance or by way of reimbursement, for necessary costs in making disability determinations under these regulations. Necessary costs are direct as well as indirect costs as defined in 41 CFR part 1-15, subpart 1-15.7 of the Federal Procurement Regulations System for costs incurred before April 1, 1984; and 48 CFR part 31, subpart 31.6 of the Federal Acquisition Regulations System and Federal Management Circular A-74-4¹ as amended or superseded for costs incurred after March 31, 1984.

(b) The State will submit estimates of anticipated costs in the form of a budget at the time and in the manner we require.

(c) We will notify the State of the amount which will be made available to it as well as what anticipated costs are being approved.

(d) The State may not incur or make expenditures for items of cost not approved by us or in excess of the amount we make available to the State.

(e) After the close of a period for which funds have been made available to the State, the State will submit a report of its expenditures. Based on an audit arranged by the State under Pub. L. 98-502, the Single Audit Act of 1984, or by the Inspector General of the Social Security Administration or based on an audit or review by the Social Security Administration (see § 404.1627), we will determine whether the expenditures were consistent with cost principles described in 41 CFR part 1-15, subpart 1-15.7 for costs incurred before April 1, 1984; and 48 CFR part 31, subpart 31.6 and Federal Management Circular A-741-4 for costs incurred after March 31, 1984; and in other applicable written guidelines in effect at the time
