### § 404.2060 Transfer of accumulated benefit payments.

A representative payee who has conserved or invested benefit payments shall transfer these funds, and the interest earned from the invested funds, to either a successor payee or to us, as we will specify. ### § 404.2065 How does your representative payee account for the use of benefits?

Your representative payee must account for the use of your benefits. We require written reports from your representative payee at least once a year (except for certain State institutions that participate in a separate onsite review program). We may verify how your representative payee used your benefits. Your representative payee should keep records of how benefits were used in order to make accounting reports and must make those records available upon our request. If your representative payee fails to provide an annual accounting of benefits or other required reports, we may require your payee to receive your benefits in person at the local Social Security field office or a United States Government facility that we designate serving the area in which you reside. The decision to have your representative payee receive your benefits in person may be based on a variety of reasons. Some of these reasons may include the payee's history of past performance or our past difficulty in contacting the payee. We may ask your representative payee to give us the following information:

- (a) Where you lived during the accounting period;
- (b) Who made the decisions on how your benefits were spent or saved;
- (c) How your benefit payments were used; and

(d) How much of your benefit payments were saved and how the savings were invested.

#### GENERAL PROVISIONS

### § 404.2101 General.

Section 222(d) of the Social Security Act authorizes the transfer from the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund of such sums as may be necessary to pay for the reasonable and necessary costs of vocational rehabilitation (VR) services provided certain disabled individuals entitled under section 223, 225(b), 202(d), 202(e) or 202(f) of the Social Security Act. The purpose of this provision is to make VR services more readily available to disabled individuals and ensure that savings accrue to the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund. Payment will be made for VR services provided on behalf of such an individual in cases where—

(a) The furnishing of the VR services results in the individual's completion of a continuous 9-month period of substantial gainful activity (SGA) as specified in §§ 404.2110 through 404.2111; or

(b) The individual continues to receive disability payments from us, even though his or her disability has ceased, because of his or her continued participation in an approved VR program which we have determined will increase the likelihood that he or she will not return to the disability rolls (see § 404.2112).
