**§410.560 Overpayments.**

(a) *General.* As used in this subpart the term *overpayment* includes a payment where no amount is payable under part B of title IV of the Act; a payment in excess of the amount due under part B or part C of title IV of the Act; a payment resulting from the failure to reduce benefits under section 412(b) of the Act (see §§410.520 and 410.530); a payment to a resident of a State whose residents are not eligible for payment (see §410.550); a payment of past due benefits to an individual where such payment had not been reduced by the amount of attorney's fees payable directly to an attorney (see §410.686(d)); and a payment resulting from the failure to terminate benefits of an individual no longer entitled thereto. As used in this section, the term *beneficiary* includes a qualified dependent for augmentation purposes and the term *benefit* includes the amount of augmented benefits attributable to a particular dependent (see §410.510(c)).

(b) *Overpaid beneficiary is living.* If the beneficiary to whom an overpayment was made is, at the time of a determination of such overpayment, entitled to benefits, or at any time thereafter becomes so entitled, no benefit for any month is payable to such individual, except as provided in paragraph (c) of this section, until an amount equal to the amount of the overpayment has been withheld or refunded.

(c) *Adjustment by withholding part of a monthly benefit.* Adjustment under paragraph (b) of this section may be effected by withholding a part of the monthly benefit payable to a beneficiary where it is determined that:

(1) Withholding the full amount each month would deprive the beneficiary of income required for ordinary and necessary living expenses;

(2) The overpayment was not caused by the beneficiary's intentionally false statement or representation, or willful

concealment of, or deliberate failure to furnish, material information; and

(3) Recoupment can be effected in an amount of not less than \$10 a month and at a rate which would not extend the period of adjustment beyond 3 years after the initiation of the adjustment action.

(d) *Overpaid beneficiary dies before adjustment.* If an overpaid beneficiary dies before adjustment is completed under the provisions of paragraph (b) of this section, the overpayment may be recovered through—

(1) Repayment by the estate of the deceased overpaid beneficiary;

(2) Withholding benefit amounts due the estate of the deceased overpaid beneficiary;

(3) Withholding benefit amounts due any other individual because of the black lung disease of the miner; or

(4) Any combination of the methods described in this paragraph.
