

§411.310 How does an entity other than a State VR agency apply to be an EN and who will determine whether an entity qualifies as an EN?

(a) An entity other than a State VR agency applies by responding to our Request for Proposal (RFP), which we published in the Commerce Business Daily and which is available online through the Federal government's electronic posting system (<http://www.eps.gov>). This RFP also is available through SSA's website, <http://www.ssa.gov/work>. Since recruitment of ENs will be an ongoing process, the RFP is open and continuous. The entity must respond in a format prescribed in the RFP announcement. In its response, the entity must assure SSA that it is qualified to provide employment services, vocational rehabilitation services, or other support services to disabled beneficiaries, either directly or through arrangements with other entities.

(b) The PM will solicit service providers and other qualified entities to respond to the RFP on an ongoing basis. (See §411.115(k) for a definition of the PM.) The PM will conduct a preliminary review of responses to the RFP from applicants located in the PM's service delivery area and make recommendations to the Commissioner regarding selection. The Commissioner will decide which applicants will be approved to serve as ENs under the program.

(c) State VR agencies must comply with the requirements in subpart F of this part to participate as an EN in the Ticket to Work program. (See §§411.360ff).

§411.315 What are the minimum qualifications necessary to be an EN?

To serve as an EN under the Ticket to Work program, an entity must meet and maintain compliance with both general selection criteria and specific selection criteria.

(a) The general criteria include:

- (1) having systems in place to protect the confidentiality of personal information about beneficiaries seeking or receiving services;
- (2) being accessible, both physically and programmatically, to beneficiaries

seeking or receiving services (examples of being programmatically accessible include the capability of making documents and literature available in alternate media including Braille, recorded formats, enlarged print, and electronic media; and insuring that data systems available to clients are fully accessible for independent use by persons with disabilities);

(3) not discriminating in the provision of services based on a beneficiary's age, gender, race, color, creed, or national origin;

(4) having adequate resources to perform the activities required under the agreement with us or the ability to obtain them;

(5) complying with the terms and conditions in the agreement with us, including delivering or coordinating the delivery of employment services, vocational rehabilitation services, and other support services; and

(6) implementing accounting procedures and control operations necessary to carry out the Ticket to Work program.

(b) The specific criteria that an entity must meet to qualify as an EN include:

(1)(i) Using staff who are qualified under applicable certification, licensing, or registration standards that apply to their profession including certification or accreditation by national accrediting or certifying organizations; or

(ii) Using staff that are otherwise qualified based on education or experience, such as by using staff with experience or a college degree in a field related to the services the EN wants to provide, such as vocational counseling, human relations, teaching, or psychology; and

(2) Taking reasonable steps to assure that if any medical and related health services are provided, such medical and health related services are provided under the formal supervision of persons licensed to prescribe or supervise the provision of these services in the State in which the services are performed.

(c) Any entity must have applicable certificates, licenses or other credentials if such documentation is required
