§416.1111 How we count earned income.

(a) *Wages.* We count wages at the earliest of the following points: when you receive them or when they are credited to your account or set aside for your use. We determine wages for each month. We count wages for services performed as a member of a uniformed service (as defined in §404.1330 of this chapter) as received in the month in which they are earned.

(b) *Net earnings from self-employment.* We count net earnings from self-employment on a taxable year basis. However, we divide the total of these earnings equally among the months in the taxable year to get your earnings for each month. For example, if your net earnings for a taxable year are \$2,400, we consider that you received \$200 in each month. If you have net losses from self-employment, we divide them over the taxable year in the same way, and we deduct them only from your other earned income.

(c) *Payments for services in a sheltered workshop or activities center.* We count payments you receive for services performed in a sheltered workshop or work activities center when you receive them or when they are set aside for your use. We determine the amount of the payments for each calendar quarter.

(d) *In-kind earned income.* We use the current market value of in-kind earned income for SSI purposes. (See §416.1101 for a definition of current market value.) If you receive an item that is not fully paid for and are responsible for the unpaid balance, only the paid-up value is income to you. (See the example in §416.1123(c).)

(e) *Royalties and honoraria.* We count payments of royalties to you in con-

(See §416.1111(b) if you receive royalties as part of your trade or business.)

§416.1112 Earned income we do not count.

(a) *General.* While we must know the source and amount of all of your earned income for SSI, we do not count all of it to determine your eligibility and benefit amount. We first exclude income as authorized by other Federal laws (see paragraph (b) of this section). Then we apply the other exclusions in the order listed in paragraph (c) of this section to the rest of your income in the month. We never reduce your earned income below zero or apply any unused earned income exclusion to unearned income.

(b) *Other Federal laws.* Some Federal laws other than the Social Security Act provide that we cannot count some of your earned income for SSI purposes. We list the laws and exclusions in the appendix to this subpart which we update periodically.

(c) *Other earned income we do not count.* We do not count as earned income—

(1) Any refund of Federal income taxes you receive under section 32 of the Internal Revenue Code (relating to earned income tax credit) and any payment you receive from an employer under section 3507 of the Internal Revenue Code (relating to advance payment of earned income tax credit);

(2) The first \$30 of earned income received in a calendar quarter if you receive it infrequently or irregularly. We consider income to be received infrequently if you receive it only once during a calendar quarter from a single source and you did not receive it in the month immediately preceding that month or in the month immediately subsequent to that month. We consider
