EXPEDITED APPEALS PROCESS

§ 416.1423 Expedited appeals process—general.

By using the expedited appeals process you may go directly to a Federal district court without first completing the administrative review process that is generally required before the court will hear your case.

§ 416.1424 When the expedited appeals process may be used.

You may use the expedited appeals process if all of the following requirements are met:

(a) We have made an initial and a reconsidered determination; an administrative law judge has made a hearing decision; or Appeals Council review has been requested, but a final decision has not been issued.

(b) You are a party to the reconsidered determination or the hearing decision.

(c) You have submitted a written request for the expedited appeals process.

(d) You have claimed, and we agree, that the only factor preventing a favorable determination or decision is a provision in the law that you believe is unconstitutional.

(e) If you are not the only party, all parties to the determination or decision agree to request the expedited appeals process.

§ 416.1425 How to request expedited appeals process.

(a) *Time of filing request.* You may request the expedited appeals process—

(1) Within 60 days after the date you receive notice of the reconsidered determination (or within the extended time period if we extend the time as

provided in paragraph (c) of this section);

(2) At any time after you have filed a timely request for a hearing but before you receive notice of the administrative law judge's decision;

(3) Within 60 days after the date you receive a notice of the administrative law judge's decision or dismissal (or within the extended time period if we extend the time as provided in paragraph (c) of this section); or

(4) At any time after you have filed a timely request for Appeals Council review, but before you receive notice of the Appeals Council's action.

(b) *Place of filing request.* You may file a written request for the expedited appeals process at one of our offices.

(c) *Extension of time to request expedited appeals process.* If you want to use the expedited appeals process but do not request it within the stated time period, you may ask for more time to submit your request. Your request for an extension of time must be in writing and it must give the reasons why the request for the expedited appeals process was not filed within the stated time period. If you show that you had good cause for missing the deadline, the time period will be extended. To determine whether good cause exists, we use the standards explained in § 416.1411.

§ 416.1426 Agreement in expedited appeals process.

If you meet all the requirements necessary for the use of the expedited appeals process, our authorized representative shall prepare an agreement. The agreement must be signed by you, by every other party to the determination or decision, and by our authorized representative. The agreement must provide that—

(a) The facts in your claim are not in dispute;

(b) The sole issue in dispute is whether a provision of the Act that applies to your case is unconstitutional;

(c) Except for your belief that a provision of the Act is unconstitutional, you agree with our interpretation of the law;

(d) If the provision of the Act that you believe is unconstitutional were not applied to your case, your claim would be allowed; and

§ 416.1432

(e) Our determination or the decision is final for the purpose of seeking judicial review.

§ 416.1427 Effect of expedited appeals process agreement.

After an expedited appeals process agreement is signed, you will not need to complete the remaining steps of the administrative review process. Instead, you may file an action in a Federal district court within 60 days after the date you receive notice (a signed copy of the agreement will be mailed to you and will constitute notice) that the agreement has been signed by our authorized representative.

§ 416.1428 Expedited appeals process request that does not result in agreement.

If you do not meet all of the requirements necessary to use the expedited appeals process, we shall tell you that your request to use this process is denied and that your request will be considered as a request for a hearing, or Appeals Council review, whichever is appropriate.

HEARING BEFORE AN ADMINISTRATIVE LAW JUDGE

§ 416.1429 Hearing before an administrative law judge—general.

If you are dissatisfied with one of the determinations or decisions listed in § 416.1430 you may request a hearing. The Associate Commissioner for Hearings and Appeals, or his or her delegate, shall appoint an administrative law judge to conduct the hearing. If circumstances warrant, the Associate Commissioner, or his or her delegate, may assign your case to another administrative law judge. At the hearing you may appear in person or by video teleconferencing, submit new evidence, examine the evidence used in making the determination or decision under review, and present and question witnesses. The administrative law judge who conducts the hearing may ask you questions. He or she shall issue a decision based on the hearing record. If you waive your right to appear at the hearing, either in person or by video tele-

conferencing, the administrative law judge will make a decision based on the evidence that is in the file and any new evidence that may have been submitted for consideration.

[68 FR 5219, Feb. 3, 2003]

§ 416.1430 Availability of a hearing before an administrative law judge.

(a) You or another party may request a hearing before an administrative law judge if we have made—

- (1) A reconsidered determination;
- (2) A reconsideration of a revised determination of an initial or reconsidered determination that involves a suspension, reduction or termination of benefits;
- (3) A revised initial determination or revised reconsidered determination that does not involve a suspension, reduction or termination of benefits; or
- (4) A revised decision based on evidence not included in the record on which the prior decision was based.

(b) We will hold a hearing only if you or another party to the hearing file a written request for a hearing.

(c) If you received a reconsidered determination instead of a decision by a Federal reviewing official as a result of § 405.240 of this chapter, we will apply the procedures contained in subpart D of part 405 of this chapter to your request for a hearing before an administrative law judge.
