§416.2217 What costs will be paid.

In accordance with section 1615(d) and (e) of the Social Security Act, the Commissioner will pay the State VR agency or alternate participant for the VR services described in §416.2214 which were provided during the period described in §416.2215 and which meet the criteria in §416.2211 or §416.2212, but subject to the following limitations:

(a) The cost must have been incurred by the State VR agency or alternate participant;

(b) The cost must not have been paid or be payable from some other source. For this purpose, State VR agencies or alternate participants will be required to seek payment or services from other sources in accordance with the "similar benefit" provisions under 34 CFR part 361, including making maximum efforts to secure grant assistance in whole or part from other sources for training or training services in institutions of higher education. Alternate participants will not be required to consider State VR services a similar benefit.

(c)(1) The cost must be reasonable and necessary, in that it complies with the written cost-containment policies of the State VR agency or, in the case of an alternate participant, it complies with similar written policies established under a negotiated plan. A cost which complies with these policies will be considered necessary only if the cost is for a VR service described in §416.2214. The State VR agency or alternate participant must maintain and use these cost-containment policies, including any reasonable and appropriate fee schedules, to govern the costs incurred for all VR services, including the rates of payment for all purchased services, for which payment will be requested under this subpart. For the purpose of this subpart, the written cost-containment policies must provide guidelines designed to ensure—

(i) The lowest reasonable cost for such services; and

(ii) Sufficient flexibility so as to allow for an individual's needs.
