§ 416.340

§ 416.327 Pilot program for photographic identification of disability benefit applicants in designated geographic areas.

(a) To be eligible for SSI disability or blindness benefits in the designated pilot geographic areas during the time period of the pilot, you or a person acting on your behalf must give SSA permission to take your photograph and make this photograph a part of the claims folder. You must give us this permission when you apply for benefits and/or when we ask for it at a later time. Failure to cooperate will result in denial of benefits. We will permit an exception to the photograph requirement when an individual has a sincere religious objection. This pilot will be in effect for a six-month period after these final rules become effective.

(b) *Designated pilot geographic areas* means:

(1) All SSA field offices in the State of South Carolina.

(2) The Augusta, Georgia SSA field office.

(3) All SSA field offices in the State of Kansas.

(4) Selected SSA field offices located in New York City.

EFFECTIVE FILING PERIOD OF APPLICATION

§ 416.330 Filing before the first month you meet the requirements for eligibility.

If you file an application for SSI benefits before the first month you meet all the other requirements for eligibility, the application will remain in effect from the date it is filed until we make a final determination on your application, unless there is a hearing decision on your application. If there is a hearing decision, your application will remain in effect until the hearing decision is issued.

(a) If you meet all the requirements for eligibility while your application is in effect, the earliest month for which we can pay you benefits is the month following the month that you first meet all the requirements.

(b) If you first meet all the requirements for eligibility after the period for which your application was in ef-

fect, you must file a new application for benefits. In this case, we can pay you benefits only from the first day of the month following the month that you meet all the requirements based on the new application.

§ 416.335 Filing in or after the month you meet the requirements for eligibility.

When you file an application in the month that you meet all the other requirements for eligibility, the earliest month for which we can pay you benefits is the month following the month you filed the application. If you file an application after the month you first meet all the other requirements for eligibility, we cannot pay you for the month in which your application is filed or any months before that month. See §§ 416.340, 416.345 and 416.350 on how a written statement or an oral inquiry made before the filing of the application form may affect the filing date of the application.

FILING DATE BASED UPON A WRITTEN STATEMENT OR ORAL INQUIRY

§ 416.340 Use of date of written statement as application filing date.

We will use the date a written statement, such as a letter, an SSA questionnaire or some other writing, is received at a social security office, at another Federal or State office designated by us, or by a person we have authorized to receive applications for us as the filing date of an application for benefits, only if the use of that date will result in your eligibility for additional benefits. If the written statement is mailed, we will use the date the statement was mailed to us as shown by a United States postmark. If the postmark is unreadable or there is no postmark, we will use the date the statement is signed (if dated) or 5 days before the day we receive the written statement, whichever date is later, as the filing date of an application for benefits. In order for us to use your written statement to protect your filing date, the following requirements must be met:
