§ 422.310 Collection of overdue debts by administrative offset.

(a) *Referral to the Department of the Treasury for offset.* (1) We will recover overdue debts by offsetting Federal payments due the debtor through the Treasury Offset Program (TOP). TOP is a Government-wide delinquent debt matching and payment offset process operated by the Department of the Treasury, whereby debts owed to the Federal Government are collected by offsetting them against Federal payments owed the debtor. Federal payments owed the debtor include current "disposable pay," defined in 5 CFR 550.1103, owed by the Federal Government to a debtor who is an employee of the Federal Government. Deducting from such disposable pay to collect an overdue debt owed by the employee is called "Federal salary offset" in this subpart.

(2) Except as provided in paragraphs (b) and (c) of § 422.301, we will use Federal salary offset to collect overdue debts from Federal employees, including employees of the Social Security Administration. A Federal employee's involuntary payment of all or part of a debt collected by Federal salary offset does not amount to a waiver of any rights which the employee may have under any statute or contract, unless a statute or contract provides for waiver of such rights.

(b) *Debts we will refer.* We will refer for administrative offset all qualifying debts that meet or exceed the threshold amounts used by the Department of the Treasury for collection from Federal payments, including Federal salaries.

(c) *Notice to debtor.* Before we refer any debt for collection by administrative offset, we will send the debtor written notice that explains all of the following:

(1) The nature and amount of the debt.

(2) We have determined that payment of the debt is overdue.

(3) We will refer the debt for administrative offset (except as provided in paragraph (c)(9) of this section) at the expiration of not less than 60 calendar days after the date of the notice unless, within that 60-day period:

(i) The debtor pays the full amount of the debt, or

(ii) The debtor takes any of the actions described in paragraphs (c)(6) or (c)(7) of this section.

(4) The frequency and amount of any Federal salary offset deduction (the payment schedule) expressed as a fixed dollar amount or percentage of disposable pay.

(5) The debtor may inspect or copy our records relating to the debt. If the debtor or his or her representative cannot personally inspect the records, the debtor may request and receive a copy of such records.

(6) The debtor may request a review of the debt by giving us evidence showing that the debtor does not owe all or part of the amount of the debt or that we do not have the right to collect it. The debtor may also request review of any payment schedule for Federal salary offset stated in the notice. If the debtor is an employee of the Federal Government and Federal salary offset is proposed, an official designated in accordance with 5 U.S.C. 5514(a)(2) will conduct the review.

(7) The debtor may request to repay the debt voluntarily through an installment payment plan.

(8) If the debtor knowingly furnishes any false or frivolous statements, representations, or evidence, the debtor may be subject to:
