

Employment and Training Administration, Labor

§ 602.41

all such records available in a timely manner for inspection, examination, and audit by such Federal officials as the Secretary may designate or as may be required or authorized by law;

(f) Furnish information and reports to the Department, including weekly transmissions of case data entered into the automated QC system and annual reports, without, in any manner, identifying individuals to whom such data pertain; and

(g) Release the results of the QC program at the same time each year, providing calendar year results using a standardized format to present the data as prescribed by the Department; States will have the opportunity to release this information prior to any release by the Department.

(Approved by the Office of Management and Budget under Control Number 1205-0245)

§ 602.22 Exceptions.

If the Department determines that the QC program, or any constituent part of the QC program, is not necessary for the proper and efficient administration of a State law or in the Department's view is not cost effective, the Department shall use established procedures to advise the State that it is partially or totally excepted from the specified requirements of this part. Any determination under this section shall be made only after consultations with the State agency.

Subpart D—Federal Responsibilities

§ 602.30 Management.

(a) The Department shall establish required methods and procedures (as specified in §602.21 of this part); and provide technical assistance as needed on the QC process.

(b) The Department shall consider and explore alternatives to the prescribed sampling, study, recordkeeping, and reporting methodologies. This shall include, but not be limited to, testing the obtaining of information needed for QC by telephone and mail rather than in face-to-face interviews.

(c) The Department shall maintain a computerized data base of QC case data which is transmitted to the Depart-

ment under §602.21, which will be combined with other data for statistical and other analysis such as assessing the impact of economic cycles, funding levels, and workload levels on program accuracy and timeliness.

§ 602.31 Oversight.

The Department shall review QC operational procedures and samples, and validate QC methodology to ensure uniformity in the administration of the QC program and to ensure compliance with the requirements of this part. The Department shall, for purposes of determining eligibility for grants described in §602.40, annually review the adequacy of the administration of a State's QC program.

Subpart E—Quality Control Grants to States

§ 602.40 Funding.

(a) The Department shall use established procedures to notify States of the availability of funds for the operation of QC programs in accordance with this part.

(b) The Department may allocate additional resources, if available, to States for analysis of data generated by the QC program, to increase the number of claims sampled in areas where more information is needed, for pilot studies for the purpose of expanding the QC program, and for corrective action.

§ 602.41 Proper expenditure of Quality Control granted funds.

The Secretary may, after reasonable notice and opportunity for hearing to the State agency, take exception to and require repayment of an expenditure for the operation of a QC program if it is found by the Secretary that such expenditure is not necessary for the proper and efficient administration of the QC program in the State. See sections 303(a)(8), 303(a)(9) and 303(b)(2), SSA, and 20 CFR 601.5. For purposes of this section, an expenditure will be
