APPENDIX A TO PART 602—STANDARD FOR CLAIM DETERMINATIONS—SEPARATION INFORMATION

EMPLOYMENT SECURITY MANUAL (PART V, SECTIONS 6010-6015)

6010 *Federal Law Requirements.* Section 303(a)(1) of the Social Security Act requires that a State law include provision for:

“Such methods of administration . . . as are found by the Secretary to be reasonably calculated to insure full payment of unemployment compensation when due.”

Section 303(a)(3) of the Social Security Act requires that a State law include provision for:

“Opportunity for a fair hearing before an impartial tribunal, for all individuals whose claims for unemployment compensation are denied.”

Section 3304(a)(4) of the Federal Unemployment Tax Act and section 303(a)(5) of the Social Security Act require that a State law include provision for:

“Expenditure of all money withdrawn from an unemployment fund of such State, in the payment of unemployment compensation. . . .”

Section 3306(h) of the Federal Unemployment Tax Act defines “compensation” as “cash benefits payable to individuals with respect to their unemployment.”

6011 *Secretary’s Interpretation of Federal Law Requirements.* The Secretary interprets the above sections to require that a State law include provisions which will insure that:

A. Individuals who may be entitled to unemployment compensation are furnished such information as will reasonably afford them an opportunity to know, establish, and protect their rights under the unemployment compensation law of such State, and

B. The State agency obtains and records in time for the prompt determination and review of benefit claims such information as will reasonably insure the payment of benefits to individuals to whom benefits are due.

6012 *Criteria for Review of State Law Conformity with Federal Requirements:*

In determining the conformity of a State law with the above requirements of the Federal Unemployment Tax Act and the Social Security Act as interpreted by the Secretary, the following criteria will be applied:

A. Is it required that individuals who may be entitled to unemployment compensation be furnished such information of their potential rights to benefits, including the manner and places of filing claims, the reasons for determinations, and their rights of appeal, as will insure them a reasonable opportunity to know, establish, and protect their rights under the law of the State?

B. Is the State agency required to obtain, in time for prompt determination of rights to benefits such information as will reasonably insure the payment of benefits to individuals to whom benefits are due?

C. Is the State agency required to keep records of the facts considered in reaching determinations of rights to benefits?

6013 *Claim Determinations Requirements Designed To Meet Department of Labor Criteria:*

A. *Investigation of claims.* The State agency is required to obtain promptly and prior to a determination of an individual’s right to benefits, such facts pertaining thereto as will be sufficient reasonably to insure the payment of benefits when due.

This requirement embraces five separate elements:

1. It is the responsibility of the agency to take the initiative in the discovery of information. This responsibility may not be passed on to the claimant or the employer. In addition to the agency’s own records, this information may be obtained from the worker, the employer, or other sources. If the information obtained in the first instance discloses no essential disagreement and provides a sufficient basis for a fair determination, no further investigation is necessary. If the information obtained from other sources differs essentially from that furnished by the claimant, the agency, in order to meet its responsibility, is required to inform the claimant of such information from other sources
