§ 614.15

Secretary of Defense, a Schedule of Remuneration specifying the pay and allowances for each pay grade of members of the Armed Forces.

(b) *Elements of schedule.* A schedule reflects representative amounts for appropriate elements of the pay and allowances, whether in cash or kind, for each pay grade of members of the Armed Forces, with a statement of the effective date of the schedule. Benefit amounts for the UCX Program are computed on the basis of the Federal military wages for the pay grade of the individual at the time of the individual's latest discharge or release from Federal military service, as specified in the schedule applicable at the time the individual files his or her first claim for compensation for the benefit year.

(c) *Effective date.* Any new Schedule of Remuneration shall take effect beginning with the first week of the calendar quarter following the calendar quarter in which such schedule is issued, and shall remain applicable until a subsequent schedule becomes effective. Prior schedules shall continue to remain applicable for the periods they were in effect.

(d) *Publication.* Any new Schedule of Remuneration shall be issued by the Secretary of Labor to the State agencies and the Federal military agencies. Promptly after the issuance of a new Schedule of Remuneration it shall be published as a notice in the FEDERAL REGISTER.

§ 614.13 Inviolate rights to UCX.

Except as specifically provided in this part, the rights of individuals to UCX shall be protected in the same manner and to the same extent as the rights of persons to State unemployment compensation are protected under the applicable State law. Such measures shall include protection of applicants for UCX from waiver, release, assignment, pledge, encumbrance, levy, execution, attachment, and garnishment of their rights to UCX, except as provided in § 614.11. In the same manner and to the same extent, individuals shall be protected from discrimination and obstruction in regard to seeking, applying for, and receiving any right to UCX.

§ 614.14 Recordkeeping; disclosure of information.

(a) *Recordkeeping.* Each State agency will make and maintain records pertaining to the administration of the UCX Program as the Department requires, and will make all such records available for inspection, examination, and audit by such Federal officials or employees as the Department may designate or as may be required by law.

(b) *Disclosure of information.* Information in records maintained by a State agency in administering the UCX Program shall be kept confidential, and information in such records may be disclosed only in the same manner and to the same extent as information with respect to State unemployment compensation and the entitlement of individuals thereto may be disclosed under the applicable State law. This provision on the confidentiality of information maintained in the administration of the UCX Program shall not apply, however, to the Department or for the purposes of §§ 614.11 or 614.14, or in the case of information, reports and studies required pursuant to §§ 614.18 or 614.26, or where the result would be inconsistent with the Freedom of Information Act, 5 U.S.C. 552, the Privacy Act of 1974, 5 U.S.C. 552a, or regulations of the Department promulgated thereunder.

§ 614.15 Payments to States.

(a) *State entitlement.* Each State is entitled to be paid by the United States with respect to each individual whose base period wages included Federal military wages, an amount bearing the same ratio to the total amount of compensation paid to such individual as the amount of the individual's Federal military wages in the individual's base period bears to the total amount of the individual's base period wages.

(b) *Payment.* Each State shall be paid, either in advance or by way of reimbursement, as may be determined by the Department, the sum that the Department estimates the State is entitled to receive under the Act and this part for each calendar month. The sum shall be reduced or increased by the amount which the Department finds that its estimate for an earlier calendar month was greater or less than
