[69 FR 19051, Apr. 9, 2004, as amended at 72 FR 35845, June 29, 2007]

Subpart B—Coordination With the Workforce Investment Act

§ 641.200 What is the relationship between the SCSEP and the Workforce Investment Act?

The SCSEP is a required partner under the Workforce Investment Act. As such, it is a part of the One-Stop Delivery System. SCSEP grantees are required to follow all applicable rules under WIA and its regulations. (WIA section 121(b)(1)(B)(vi) (29 U.S.C. 2841(b)(1)(B)(vi)) and the 29 CFR part 662 subpart B (§§ 662.200 through 662.280))

§ 641.210 What services, in addition to the applicable core services, must SCSEP grantees provide through the One-Stop Delivery System?

In addition to providing core services, SCSEP grantees must make arrangements through the One-Stop Delivery System to provide eligible and ineligible individuals with access to other activities and programs carried out by other One-Stop partners.

§ 641.220 Does title I of WIA require the SCSEP to use OAA funds for individuals who are not eligible for SCSEP services or for services that are not authorized under the OAA?

No, SCSEP requirements continue to apply. Title V resources may only be used to provide title V services to title V-eligible individuals. The Workforce Investment Act creates a seamless service delivery system for individuals seeking workforce development services by linking the One-Stop partners in the One-Stop Delivery System. Although the overall effect is to provide universal access to core services, SCSEP resources may only be used to provide services that are authorized and provided under the SCSEP to eligible individuals. Title V funds can be

used to pay wages to SCSEP participants receiving intensive and training services under title I of WIA provided that the SCSEP participants are functioning in a community service assignment. All other individuals who are in need of the services provided under the SCSEP, but who do not meet the eligibility criteria to enroll in the SCSEP, should be referred to or enrolled in WIA or other appropriate partner programs. (WIA sec. 121(b)(1)). These arrangements should be negotiated in the MOU.

§ 641.230 Must the individual assessment conducted by the SCSEP grantee and the assessment performed by the One-Stop Delivery System be accepted for use by either entity to determine the individual's need for services in the SCSEP and adult programs under title IB of WIA?

Yes, section 502(b)(4) of the OAA provides that an assessment or IEP completed by the SCSEP satisfies any condition for an assessment, service strategy, or IEP completed at the One-Stop and vice-versa. These reciprocal arrangements and the contents of the SCSEP IEP and WIA IEP should be negotiated in the MOU. (OAA sec. 502(b)(4)).

§ 641.240 Are SCSEP participants eligible for intensive and training services under title I of WIA?

(a) Yes, although SCSEP participants are not automatically eligible for intensive and training services under title I of WIA, Local Boards may deem SCSEP participants, either individually or as a group, as satisfying the requirements for receiving adult intensive and training services under title I of WIA.

(b) SCSEP participants who have been assessed through an SCSEP IEP have received an intensive service according to 20 CFR 663.240(a) of the WIA regulations. SCSEP participants who seek unsubsidized employment as part of their SCSEP IEP, may require training to meet their objectives. The SCSEP grantee/subgrantee, the host agency, the WIA program, or another One-Stop partner may provide training as appropriate and as negotiated in the MOU.

§ 641.300

(c) The SCSEP provides opportunities for eligible individuals to engage in part-time community service activities for which they are compensated. These assignments are analogous to work experience activities or intensive service under 20 CFR 663.200 of the WIA regulations.

(d) SCSEP participants may be paid wages while receiving intensive or training services provided that the participant is functioning in a community service assignment.

Subpart C—The State Senior Employment Services Coordination Plan

§ 641.300 What is the State Plan?

The State Senior Employment Services Coordination Plan (the State Plan) is a plan, submitted by the Governor in each State, as an independent document or as part of the WIA Unified Plan, that describes the planning and implementation process for SCSEP services in the State, taking into account the relative distribution of eligible individuals and employment opportunities within the State. The State Plan is intended to foster coordination among the various SCSEP grantees operating within the State and to facilitate the efforts of stakeholders, including State and Local Boards under WIA, to work collaboratively through a participatory process to accomplish the SCSEP program's goals. (OAA sec. 503(a)(1)). The State Plan provisions are listed at proposed § 641.325.

§ 641.305 Who is responsible for developing and submitting the State Plan?

The Governor of each State is responsible for developing and submitting the State Plan to the Department.

§ 641.310 May the Governor delegate responsibility for developing and submitting the State Plan?

Yes, the Governor may delegate responsibility for developing and submitting the State Plan, provided that any such delegation is consistent with State law and regulations. To delegate responsibility, the Governor must submit to the Department a signed statement indicating the individual and/or

20 CFR Ch. V (4–1–08 Edition)

organization that will be submitting the State Plan on his or her behalf.

§ 641.315 Who participates in developing the State Plan?

(a) In developing the State Plan the Governor must obtain the advice and recommendations of representatives from:

(1) The State and Area Agencies on Aging;

(2) State and Local Boards under the Workforce Investment Act (WIA);

(3) Public and private nonprofit agencies and organizations providing employment services, including each grantee operating an SCSEP project within the State, except as provided for in § 641.320(b);

(4) Social service organizations providing services to older individuals;

(5) Grantees under title III of the OAA;

(6) Affected communities;

(7) Underserved older individuals;

(8) Community-based organizations serving older individuals;

(9) Business organizations; and

(10) Labor organizations.

(b) The Governor may also obtain the advice and recommendations of other interested organizations and individuals, including SCSEP program participants, in developing the State Plan. (OAA sec. 503(a)(2)).

§ 641.320 Must all national grantees operating within a State participate in the State planning process?

(a) Yes, although section 503(a)(2) requires the Governor to obtain the advice and recommendations of SCSEP national grantees with no reciprocal provision requiring the national grantees to participate in the State planning process, the eligibility provision at section 514(c)(5) requires grantees to coordinate with other organizations at the State and local level. Therefore, any national grantee that does not participate in the State planning process may be deemed ineligible to receive SCSEP funds in the following Program Year.

(b) National grantees serving older American Indians are exempted from participating in the planning requirements under section 503(a)(8) of the OAA. These national grantees may
