

typically include coordinated patterns or behaviors that pervade a grantee's administration or are focused at the higher levels of a grantee's management or authority. To be consistent with the OAA section 514(d)(4)(B), this determination will be made on a case-by-case basis regardless of what party identifies the alleged fraud or criminal activity.

§ 641.460 How will the Department examine the responsibility of eligible entities?

The Department will conduct a review of available records to assess each applicant's overall fiscal and administrative ability to manage Federal funds. The Department's responsibility review may consider any available information, including the organization's history with regard to the management of other grants awarded by the Department or by other Federal agencies. (OAA sec. 514(d)(1) and (d)(2)).

§ 641.465 Under what circumstances may the Department reject an application?

(a) The Department may question any proposed project component of an application if it believes that the component will not serve the purposes of the SCSEP program. The Department may reject the application if the applicant does not submit or negotiate an acceptable alternative.

(b) The Department may reject any application that the Grant Officer determines unacceptable based on the content of the application, rating score, past performance, fiscal management, or any other factor the Grant Officer believes serves the best interest of the program, including the application's comparative rating in a competition.

§ 641.470 What happens if an applicant's application is rejected?

(a) Any entity whose application is rejected in whole or in part will be provided a timely notice as well as an explanation, or debriefing, of the Department's basis for its rejection. Notifications will include an explanation of the Department's decision and suggestions as to how to improve the applicant's position for future competitions.

(b) Incumbent grantees will not have an opportunity to cure in an open competition because that will create an inequity in favor of incumbents which already have opportunities to correct deficiencies through technical assistance, provided by the Department, under OAA sec. 514(e)(2)(A).

(c) If the Administrative Law Judge (ALJ) rules that the organization should have been selected, in whole or in part, and the organization continues to meet the requirements of this part, the matter must be remanded to the Grant Officer. The Grant Officer must, within 10 working days, determine whether the slots which are the subject of the ALJ's decision will be awarded, in whole or in part, to the organization and the timing of the award. In making this determination, the Grant Officer must take into account disruption to participants, disruption to grantees and the operational needs of the SCSEP. The Grant Officer must return the decision to the ALJ for review. In the event that the Grant Officer determines that it is not feasible, the successful appellant will be awarded its bid preparation costs or a pro rata share of those costs if Grant Officer's finding applies to only a portion of the funds that would be awarded to the successful appellant. An applicant so selected is not entitled to the full grant amount but will only receive the funds remaining in the grant that have not been expended by the current grantee through its operation of the grant and its subsequent closeout. The available remedy in an SCSEP non-selection appeal is the right to be selected in the future as an SCSEP grantee for the remainder of the current grant cycle. Neither retroactive nor immediately effective selection status may be awarded as relief in a non-selection appeal under this section and § 641.900.

Any organization selected and/or funded as an SCSEP grantee is subject to having its slots reduced or to being removed as an SCSEP grantee of an ALJ decision so orders. The Grant Officer provides instructions on transition and closeout to both the newly designated grantee and to the grantee whose slots are affected or which is being removed.
