

WtW programs and activities are being conducted as part of the One-Stop delivery system. Furthermore, WtW programs that are part of larger State agencies that are recipients of WIA title I financial assistance must also comply with the provisions of 29 CFR part 37. For purposes of this paragraph, the term “recipient” has the same meaning as the term is defined in 29 CFR part 37. That part also contains participant rights related to non-discrimination.

(j) *Nepotism.* (1) No individual may be placed in a WtW employment activity if a member of that person’s immediate family is engaged in an administrative capacity for the employing agency.

(2) To the extent that an applicable State or local legal requirement regarding nepotism is more restrictive than this provision, such State or local requirement shall be followed.

§ 645.233 What are the time limitations on the expenditure of Welfare-to-Work grant funds?

(a) *Formula grant funds:* The maximum time limit for the expenditure of a given fiscal year allotment is three years from the effective date of the Federal grant award to the State. The maximum time limit will be allowed and will be specified in the Department’s formula grant document for each fiscal year of funds provided to the State. Any remaining funds that have not been expended at the end of the expenditure period must be returned to the Department in accordance with the applicable closeout procedures for formula grants.

(b) *Competitive grant funds:* The maximum time limit for the expenditure of these funds is three years from the effective date of award, but will, in all cases, be determined by the grant period and the terms and conditions specified in the Federal grant award agreement (including any applicable grant modification documents). Any remaining funds that have not been expended at the end of the approved grant period must be returned to the Department in accordance with the applicable closeout procedures for competitive grants (section 503(a)(5)(C)(vii)).

(b) The costs of administration are that allocable portion of necessary and allowable costs associated with those specific functions identified in paragraph (c) of this section for the administration of the WtW program and which are not related to the direct provision of services to participants. These costs can be both personnel and non-personnel and both direct and indirect.
