### § 658.414 Referral of non-JS-related complaints.

(a) To facilitate the operation of the coordinated enforcement procedures established at 29 CFR part 42, the State agency shall take from MSFWs in writing non-JS related complaints which allege violations of employment related laws enforced by ESA or OSHA. The official shall immediately refer the complaint to ESA or OSHA for prompt action. The JS official shall inform the MSFW of the enforcement agency (and the individual if known) to which the complaint will be referred and refer the complainant to other agencies, attorney, consumer advocate and/or other assistance where appropriate.

(b) Upon receipt of all other non-JS related complaints, the JS official shall refer the complainant to the appropriate enforcement agency, another public agency, an attorney, a consumer advocate and/or other appropriate assistance.

(c) For all non-JS-related complaints received pursuant to paragraphs (a) and (b) of this section, the appropriate JS official shall record the referral of the complainant and the complaint where paragraph (a) is applicable, and the agency or agencies (and individual(s), if known) to which the complainant and the complaint where paragraph (a) is applicable, were referred on the complaint log specified in § 658.410(c)(1). The JS official shall also prepare and keep the file specified in § 658.410(c)(3) for the complaints filed pursuant to paragraph (a) of this section.

### § 658.415 Transferring complaints to proper JS office.

(a) Where a JS-related complaint deals with an employer, the proper office to handle the complaint initially is ordinarily the local office serving the

area in which the employer is located. Where a JS-related complaint deals with an office of a State agency, the proper office to handle the complaint initially is the local office serving the area in which the alleged violation of the JS regulations occurred. Where an agency-related complaint deals with more than one office of a State agency, with an alleged agency-wide violation, or with the State office, the appropriate State agency official may direct that the State office of that agency handle the complaint initially.

(b) The State Administrator shall establish a system whereby the office in which an JS-related complaint is filed, alleging a violation in that same State, ensures that the JS Complaint/Referral Form is adequately completed and then sent to the proper State or local office of that agency. A copy of the referral letter shall be sent to the complainant.

(c) Whenever a JS-related complaint deals with an employer in another State or another State agency, the State JS agency shall send, after ensuring that the JS Complaint/Referral Form is adequately completed, a copy of the JS Complaint/Referral Form and copies of any relevant documents to the State agency in the other State. Copies of the referral letter shall be sent to the complainant, and copies of the complaint and referral letter shall be sent to the ETA Regional Office(s) with jurisdiction over the transferring and receiving State agencies.

(d) The State agency receiving the complaint after an interstate transferral under paragraph (c) of this section shall handle the complaint as if it had been initially filed with that office.

(e) The ETA regional office with jurisdiction over the receiving State shall follow-up with the receiving State agency to ensure the complaint is handled in accordance with these regulations.

(f) If the JS complaint is against more than one State JS agency, the complaint shall so clearly state. The complaint shall be handled as separate complaints and shall be handled according to procedures at § 658.416(c) and paragraph (c) of this section.
