(d) If the membership structure of the alternative entity is significantly changed after December 31, 1997, the entity will no longer be eligible to perform the functions of the State Board. In such case, the Governor must establish a new State Board which meets all of the criteria of WIA section 111(b).

(e) A significant change in the membership structure includes any significant change in the organization of the alternative entity or in the categories of entities represented on the alternative entity which requires a change to the alternative entity's charter or a similar document that defines the formal organization of the alternative entity, regardless of whether the required change to the document has or has not been made. A significant change in the membership structure is considered to have occurred when members are added to represent groups not previously represented on the entity. A significant change in the membership structure is not considered to have occurred when additional members are added to an existing membership category, when non-voting members are added, or when a member is added to fill a vacancy created in an existing membership category.

(f) In 20 CFR parts 660 through 671, all references to the State Board also apply to an alternative entity used by a State.

**§ 661.220 What are the requirements for the submission of the State Workforce Investment Plan?**

(a) The Governor of each State must submit a State Workforce Investment Plan (State Plan) in order to be eligible to receive funding under title I of WIA and the Wagner-Peyser Act. The State Plan must outline the State's

five year strategy for the workforce investment system.

(b) The State Plan must be submitted in accordance with planning guidelines issued by the Secretary of Labor. The planning guidelines set forth the information necessary to document the State's vision, goals, strategies, policies and measures for the workforce investment system (that were arrived at through the collaboration of the Governor, chief elected officials, business and other parties), as well as the information required to demonstrate compliance with WIA, and the information detailed by WIA and the WIA regulations, including 29 CFR part 37, and the Wagner-Peyser Act and the Wagner-Peyser regulations at 20 CFR part 652:

(d) The State must provide an opportunity for public comment on and input into the development of the State Plan prior to its submission. The opportunity for public comment must include an opportunity for comment by representatives of business, representatives of labor organizations, and chief elected official(s) and must be consistent with the requirement, at WIA section 111(g), that the State Board makes information regarding the State Plan and other State Board activities available to the public through regular open meetings. The State Plan must describe the State's process and timeline for ensuring a meaningful opportunity for public comment.

(e) The Secretary reviews completed plans and must approve all plans within ninety days of their submission, unless the Secretary determines in writing that:

(1) The plan is inconsistent with the provisions of title I of WIA or the WIA regulations, including 29 CFR part 37. For example, a finding of inconsistency would be made if the Secretary and the Governor have not reached agreement on the adjusted levels of performance under WIA section 136(b)(3)(A), or there is not an effective strategy in place to

(3) A plan which is incomplete, or which does not contain sufficient information to determine whether it is consistent with the statutory or regulatory requirements of title I of WIA or of section 8(d) of the Wagner-Peyser Act, will be considered to be inconsistent with those requirements.

### **§ 661.230 What are the requirements for modification of the State Workforce Investment Plan?**

(a) The State may submit a modification of its workforce investment plan at any time during the five-year life of the plan.

(b) Modifications are required when:
