Subpart A—Delivery of Adult and Dislocated Worker Services Through the One-Stop Delivery System

§ 663.100 What is the role of the adult and dislocated worker programs in the One-Stop delivery system?

(a) The One-Stop system is the basic delivery system for adult and dislocated worker services. Through this system, adults and dislocated workers can access a continuum of services. The services are organized into three levels: core, intensive, and training.

(b) The chief elected official or his/her designee(s), as the local grant recipient(s) for the adult and dislocated worker programs, is a required One-Stop partner and is subject to the provisions relating to such partners described in 20 CFR part 662. Consistent with those provisions:

(1) Core services for adults and dislocated workers must be made available in at least one comprehensive One-Stop center in each local workforce investment area. Services may also be available elsewhere, either at affiliated sites or at specialized centers. For example, specialized centers may be established to serve workers being dislocated from a particular employer or industry, or to serve residents of public housing.

(2) The One-Stop centers also make intensive services available to adults and dislocated workers, as needed, either by the One-Stop operator directly or through contracts with service providers that are approved by the Local Board.

(3) Through the One-Stop system, adults and dislocated workers needing training are provided Individual Training Accounts (ITA's) and access to lists of eligible providers and programs of training. These lists contain quality consumer information, including cost and performance information for each of the providers' programs, so that participants can make informed choices

on where to use their ITA's. (ITA's are more fully discussed in subpart D of this part.)

§ 663.105 When must adults and dislocated workers be registered?

(a) Registration is the process for collecting information to support a determination of eligibility. This information may be collected through methods that include electronic data transfer, personal interview, or an individual's application.

(b) Adults and dislocated workers who receive services funded under title I other than self-service or informational activities must be registered and determined eligible.

(c) EO data must be collected on every individual who is interested in being considered for WIA title I financially assisted aid, benefits, services, or training by a recipient, and who has signified that interest by submitting personal information in response to a request from the recipient.

§ 663.110 What are the eligibility criteria for core services for adults in the adult and dislocated worker programs?

To be eligible to receive core services as an adult in the adult and dislocated worker programs, an individual must be 18 years of age or older. To be eligible for the dislocated worker programs, an eligible adult must meet the criteria of § 663.115. Eligibility criteria for intensive and training services are found at §§ 663.220 and 663.310.

§ 663.115 What are the eligibility criteria for core services for dislocated workers in the adult and dislocated worker programs?

(a) To be eligible to receive core services as a dislocated worker in the adult and dislocated worker programs, an individual must meet the definition of "dislocated worker" at WIA section 101(9). Eligibility criteria for intensive and training services are found at §§ 663.220 and 663.310.
