

§ 663.165

search and placement assistance, before receiving intensive services. The initial assessment provides preliminary information about the individual's skill levels, aptitudes, interests, and supportive services needs. The job search and placement assistance helps the individual determine whether he or she is unable to obtain employment, and thus requires more intensive services to obtain employment. The decision on which core services to provide, and the timing of their delivery, may be made on a case-by-case basis at the local level depending upon the needs of the participant.

(b) A determination of the need for intensive services under § 663.220, as established by the initial assessment or the individual's inability to obtain employment through the core services provided, must be contained in the participant's case file.

§ 663.165 How long must an individual be in core services in order to be eligible for intensive services?

There is no Federally-required minimum time period for participation in core services before receiving intensive services. (WIA sec. 134(d)(3).)

Subpart B—Intensive Services

§ 663.200 What are intensive services for adults and dislocated workers?

(a) Intensive services are listed in WIA section 134(d)(3)(C). The list in the Act is not all-inclusive and other intensive services, such as out-of-area job search assistance, literacy activities related to basic workforce readiness, relocation assistance, internships, and work experience may be provided, based on an assessment or individual employment plan.

(b) For the purposes of paragraph (a) of this section, work experience is a planned, structured learning experience that takes place in a workplace for a limited period of time. Work experience may be paid or unpaid, as appropriate. A work experience workplace may be in the private for profit sector, the non-profit sector, or the public sector. Labor standards apply in any work experience where an employee/employer relationship, as de-

20 CFR Ch. V (4-1-08 Edition)

defined by the Fair Labor Standards Act, exists.

§ 663.210 How are intensive services delivered?

(a) Intensive services must be provided through the One-Stop delivery system, including specialized One-Stop centers. Intensive services may be provided directly by the One-Stop operator or through contracts with service providers, which may include contracts with public, private for-profit, and private non-profit service providers (including specialized service providers), that are approved by the Local Board. (WIA secs. 117(d)(2)(D) and 134(d)(3)(B).)

(b) The Local Board may only be a provider of intensive services when approved by the chief elected official and the Governor in accordance with WIA section 117(f)(2) and 20 CFR 661.310.

§ 663.220 Who may receive intensive services?

There are two categories of adults and dislocated workers who may receive intensive services:

(a) Adults and dislocated workers who are unemployed, have received at least one core service and are unable to obtain employment through core services, and are determined by a One-Stop operator to be in need of more intensive services to obtain employment; and

(b) Adults and dislocated workers who are employed, have received at least one core service, and are determined by a One-Stop operator to be in need of intensive services to obtain or retain employment that leads to self-sufficiency, as described in § 663.230.

§ 663.230 What criteria must be used to determine whether an employed worker needs intensive services to obtain or retain employment leading to "self-sufficiency"?

State Boards or Local Boards must set the criteria for determining whether employment leads to self-sufficiency. At a minimum, such criteria must provide that self-sufficiency means employment that pays at least the lower living standard income level, as defined in WIA section 101(24). Self-sufficiency for a dislocated worker may be defined in relation to a percentage of the layoff wage. The special needs of

individuals with disabilities or other barriers to employment should be taken into account when setting criteria to determine self-sufficiency.

§ 663.240 Are there particular intensive services an individual must receive before receiving training services under WIA section 134(d)(4)(A)(i)?

(a) Yes, at a minimum, an individual must receive at least one intensive service, such as development of an individual employment plan with a case manager or individual counseling and career planning, before the individual may receive training services.

(b) The case file must contain a determination of need for training services under § 663.310, as identified in the individual employment plan, comprehensive assessment, or through any other intensive service received.

§ 663.245 What is the individual employment plan?

The individual employment plan is an ongoing strategy jointly developed by the participant and the case manager that identifies the participant's employment goals, the appropriate achievement objectives, and the appropriate combination of services for the participant to achieve the employment goals.

§ 663.250 How long must an individual participant be in intensive services to be eligible for training services?

There is no Federally-required minimum time period for participation in intensive services before receiving training services. The period of time an individual spends in intensive services should be sufficient to prepare the individual for training or employment. (WIA sec. 134(d)(4)(A)(i).)

Subpart C—Training Services

§ 663.300 What are training services for adults and dislocated workers?

(b) After an interview, evaluation, or assessment, and case management, have been determined by a One-Stop operator or One-Stop partner, to be in need of training services and to have the skills and qualifications to successfully complete the selected training program;

(c) Select a program of training services that is directly linked to the employment opportunities either in the local area or in another area to which the individual is willing to relocate;

(d) Are unable to obtain grant assistance from other sources to pay the costs of such training, including such sources as Welfare-to-Work, State-funded training funds, Trade Adjustment Assistance and Federal Pell Grants established under title IV of the Higher Education Act of 1965, or require WIA assistance in addition to other sources of grant assistance, including Federal Pell Grants (provisions relating to fund coordination are found at § 663.320 and WIA section 134(d)(4)(B)); and
