The Local Board must develop criteria to be used in determining demonstrated effectiveness, particularly as it applies to the special participant population to be served. The criteria may include:

**§ 663.440 What are the requirements for consumer choice?**

(a) Training services, whether under ITA's or under contract, must be provided in a manner that maximizes informed consumer choice in selecting an eligible provider.

(b) Each Local Board, through the One-Stop center, must make available to customers the State list of eligible providers required in WIA section

122(e). The list includes a description of the programs through which the providers may offer the training services, the information identifying eligible providers of on-the-job training and customized training required under WIA section 122(h) (where applicable), and the performance and cost information about eligible providers of training services described in WIA sections 122 (e) and (h).

(c) An individual who has been determined eligible for training services under § 663.310 may select a provider described in paragraph (b) of this section after consultation with a case manager. For purposes of this paragraph, a referral may be carried out by providing a voucher or certificate to the individual to obtain the training.

(d) The cost of referral of an individual with an ITA to a training provider is paid by the applicable adult or dislocated worker program under title I of WIA.

**Subpart E—Eligible Training Providers**
