(3) The availability of funds under WIA section 136(g)(2) resulting from funds withheld for poor performance by States; and

(4) The range of awards established in WIA section 503(c).

(b) We will publish the award amount for eligible States, after consultation with the Secretary of Education, within 90 days after the due date, established under § 666.205(a), for the latest State performance progress report providing the annual information needed to determine State eligibility.

(c) In determining the amount available to an eligible State, the Secretary, with the Secretary of Education, may consider such factors as:

(2) The extent to which the negotiated levels of performance were exceeded;

(3) Performance improvement relative to previous years;

(4) Changes in economic conditions, participant characteristics and proposed service design since the negotiated levels of performance were agreed to;

(5) The eligible State's relative performance for each of the indicators compared to other States; and

(6) The performance on those indicators considered most important in terms of accomplishing national goals established by each of the respective Secretaries.

### **§ 666.240 Under what circumstances may a sanction be applied to a State that fails to achieve negotiated levels of performance for title I?**

(a) If a State fails to meet the negotiated levels of performance agreed to under § 666.120 for core indicators of performance or customer satisfaction indicators for the adult, dislocated worker or youth programs under title I of WIA, the Secretary must, upon request, provide technical assistance, as

authorized under WIA sections 136(g) and 170.

(b) If a State fails to meet the negotiated levels of performance for core indicators of performance or customer satisfaction indicators for the same program in two successive years, the amount of the succeeding year's allocation for the applicable program may be reduced by up to five percent.

(c) The exact amount of any allocation reduction will be based upon the degree of failure to meet the negotiated levels of performance for core indicators. In making a determination of the amount, if any, of such a sanction, we may consider factors such as:

(1) The State's performance relative to other States;

(2) Improvement efforts underway;

(3) Incremental improvement on the performance measures;

(4) Technical assistance previously provided;

(5) Changes in economic conditions and program design;

(6) The characteristics of participants served compared to the participant characteristics described in the State Plan; and

(7) Performance on other core indicators of performance and customer satisfaction indicators for that program. (WIA sec. 136(g).)

(d) Only performance that is less than 80 percent of the negotiated levels will be deemed to be a failure to achieve negotiated levels of performance.

(e) In accordance with 20 CFR 667.300(e), a State grant may be reduced for failure to submit an annual performance progress report.

(f) A State may request review of a sanction we impose in accordance with the provisions of 20 CFR 667.800.

The levels must be based on the State negotiated levels of performance established under § 666.120 and take into account the factors described in paragraph (b) of this section.

(b) In determining the appropriate local levels of performance, the Governor, Local Board and chief elected official must take into account specific economic, demographic and other characteristics of the populations to be served in the local area.

(c) The performance levels agreed to under paragraph (a) of this section must be incorporated in the local plan. (WIA secs. 118(b)(3) and 136(c).)
