

by this or other public sector supported programs.

(c) For other entities, the review includes the experience of the entity's management in administering funds for services to Native American people. This review also includes an assessment of the relationship between the entity and the Native American community or communities to be served.

[65 FR 49435, Aug. 11, 2000, as amended at 71 FR 35524, June 21, 2006]

§ 668.240 What is the process for applying for designation as an INA grantee?

(a) Every entity seeking designation must submit a Notice of Intent (NOI) which complies with the requirements of the Solicitation for Grant Application (SGA). An SGA will be issued every two years, covering all areas except for those for which competition is waived for the incumbent grantee under WIA section 166(c)(2).

(b) NOI's must be submitted to the Chief of DINAP, bearing a U.S. Postal Service postmark indicating its submission no later than October 1st of the year which precedes the first year of a new designation cycle (unless the SGA provides a later date). For NOI's received after October 1, only a timely official U.S. Postal Service postmark is acceptable as proof of timely submission. Dates indicating submission by private express delivery services or metered mail are unacceptable as proof of the timely submission of designation documents.

(c) NOI's must include the following:

(1) Documentation of the legal status of the entity, as described in § 668.200(a)(1);

(2) A Standard Form (SF) 424b;

(3) The assurances required by 29 CFR 37.20;

(4) A specific description, by State, county, reservation or similar area, or service population, of the geographic area for which the entity requests designation;

(5) A brief summary of the employment and training or human resource development programs serving Native Americans that the entity currently operates or has operated within the previous two-year period;

(6) A description of the planning process used by the entity, including the involvement of the governing body and local employers;

(7) Evidence to establish an entity's ability to administer funds under §§ 668.220 through 668.230.

§ 668.250 What happens if two or more entities apply for the same area?

(a) Every two years, unless there has been a waiver of competition for the area, we issue a Solicitation for Grant Application (SGA) seeking applicants for INA program grants.

(b) If two or more entities apply for grants for the same service area, or for overlapping service areas, and a waiver of competition under WIA section 166(c)(2) is not granted to the incumbent grantee, the following additional procedures apply:

(1) The Grant Officer will follow the regulations for priority designation at § 668.210.

(2) If no applicant is entitled to priority designation, DINAP will inform each entity which submitted a NOI, including the incumbent grantee, in writing, of all the competing Notices of Intent no later than November 15 of the year the NOI's are received.

(3) Each entity will have an opportunity to describe its service plan, and may submit additional information addressing the requirements of § 668.240(c) or such other information as the applicant determines is appropriate. Revised Notices must be received or contain an official U.S. Postal Service postmark, no later than January 5th (unless a later date is provided in DINAP's information notice).

(4) The Grant Officer selects the entity that demonstrates the ability to produce the best outcomes for its customers.

§ 668.260 How are INA grantees designated?

(a) On March 1 of each designation year, we designate or conditionally designate Native American grantees for the coming two program years. The Grant Officer informs, in writing, each entity which submitted a Notice of Intent that the entity has been:

(1) Designated;

(2) Conditionally designated;
