

(3) Designated for only a portion of its requested area or population; or

(4) Denied designation.

(b) Designated Native American entities must ensure and provide evidence to DOL that a system is in place to afford all members of the eligible population within their service area an equitable opportunity to receive employment and training activities and services.

§ 668.270 What appeal rights are available to entities that are denied designation?

Any entity that is denied designation in whole or in part for the area or population that it requested may appeal the denial to the Office of the Administrative Law Judges using the procedures at 20 CFR 667.800 or the alternative dispute resolution procedures at 20 CFR 667.840. The Grant Officer will provide an entity whose request for designation was denied, in whole or in part, with a copy of the appeal procedures.

§ 668.280 Are there any other ways in which an entity may be designated as an INA grantee?

Yes, for an area which would otherwise go unserved. The Grant Officer may designate an entity, which has not submitted an NOI, but which meets the qualifications for designation, to serve the particular geographic area. Under such circumstances, DINAP will seek the views of Native American leaders in the area involved about the decision to designate the entity to serve that community. DINAP will inform the Grant Officer of their views. The Grant Officer will accommodate their views to the extent possible.

§ 668.290 Can an INA grantee's designation be terminated?

(a) Yes, the Grant Officer can terminate a grantee's designation for cause, or the Secretary or another DOL official confirmed by the Senate can terminate a grantee's designation in emergency circumstances where termination is necessary to protect the integrity of Federal funds or ensure the proper operation of the program. (WIA sec. 184(e).)

(b) The Grant Officer may terminate a grantee's designation for cause only if there is a substantial or persistent violation of the requirements in the Act or the WIA regulations. The grantee must be provided with written notice 60 days before termination, stating the specific reasons why termination is proposed. The appeal procedures at 20 CFR 667.800 apply.

(c) The Secretary must give a grantee terminated in emergency circumstances prompt notice of the termination and an opportunity for a hearing within 30 days of the termination.

§ 668.292 How does a designated entity become an INA grantee?

A designated entity becomes a grantee on the effective date of an executed grant agreement, signed by the authorized official of the grantee organization and the Grant Officer. The grant agreement includes a set of certifications and assurances that the grantee will comply with the terms of the Act, the WIA regulations, and other appropriate requirements. Funds are released to the grantee upon approval of the required planning documents, as described in §§ 668.710 through 668.740.

§ 668.294 Do we have to designate an INA grantee for every part of the country?

No, beginning with the PY 2000 grant awards, if there are no entities meeting the requirements for designation in a particular area, or willing to serve that area, we will not allocate funds for that service area. The funds allocated to that area will be distributed to the remaining INA grantees, or used for other program purposes such as technical assistance and training (TAT). Unawarded funds used for technical assistance and training are in addition to, and not subject to the limitations on, amounts reserved under § 668.296(e). Areas which are unserved by the INA program may be restored during a subsequent designation cycle, when and if a current grantee or other eligible entity applies for and is designated to serve that area.
