

**§ 668.360 What is the role of INA grantees in the One-Stop system?**

(a) In those local workforce investment areas where an INA grantee conducts field operations or provides substantial services, the INA grantee is a required partner in the local One-Stop delivery system and is subject to the provisions relating to such partners described in 20 CFR part 662. Consistent with those provisions, a Memorandum of Understanding (MOU) between the INA grantee and the Local Board over the operation of the One-Stop Center(s) in the Local Board's workforce investment area also must be executed. Where the Local Board is an alternative entity under 20 CFR 661.330, the INA grantee must negotiate with the alternative entity on the terms of its MOU and the scope of its on-going role in the local workforce investment system, as specified in 20 CFR 661.310(b)(2). In local areas with a large concentration of potentially eligible INA participants, which are in an INA grantee's service area but in which the grantee does not conduct operations or provide substantial services, the INA grantee should encourage such individuals to participate in the One-Stop system in that area in order to receive WIA services.

(b) At a minimum, the MOU must contain provisions related to:

- (1) The services to be provided through the One-Stop Service System;
- (2) The methods for referral of individuals between the One-Stop operator and the INA grantee which take into account the services provided by the INA grantee and the other One-Stop partners;
- (3) The exchange of information on the services available and accessible through the One-Stop system and the INA program;
- (4) As necessary to provide referrals and case management services, the exchange of information on Native American participants in the One-Stop system and the INA program;
- (5) Arrangements for the funding of services provided by the One-Stop(s), consistent with the requirements at 20 CFR 662.280 that no expenditures may be made with INA program funds for individuals who are not eligible or for services not authorized under this part.

(c) The INA grantee's Two Year Plan must describe the efforts the grantee has made to negotiate MOU's consistent with paragraph (b) of this section, for each planning cycle during which Local Boards are operating under the terms of WIA.

**§ 668.370 What policies govern payments to participants, including wages, training allowances or stipends, or direct payments for supportive services?**

(a) INA grantees may pay training allowances or stipends to participants for their successful participation in and completion of education or training services (except such allowance may not be provided to participants in OJT). Allowances or stipends may not exceed the Federal or State minimum wage, whichever is higher.

(b) INA grantees may not pay a participant in a training activity when the person fails to participate without good cause.

(c) If a participant in a WIA-funded activity, including participants in OJT, is involved in an employer-employee relationship, that participant must be paid wages and fringe benefits at the same rates as trainees or employees who have similar training, experience and skills and which are not less than the higher of the applicable Federal, State or local minimum wage. (WIA sec. 181(a)(1).)

(d) In accordance with the policy described in the two-year plan, INA grantees may pay incentive bonuses to participants who meet or exceed individual employability or training goals established in writing in the individual employment plan.

(e) INA grantees must comply with other restrictions listed in WIA sections 181 through 199, which apply to all programs funded under title I of WIA.

(f) INA grantees must comply with the provisions on labor standards in WIA section 181(b).

**§ 668.380 What will we do to strengthen the capacity of INA grantees to deliver effective services?**

We will provide appropriate TAT, as necessary, to INA grantees. This TAT will assist INA grantees to improve program performance and enhance

services to the target population(s), as resources permit. (WIA sec. 166(h)(5).)

**Subpart D—Supplemental Youth Services**

**§ 668.400 What is the purpose of the supplemental youth services program?**

The purpose of this program is to provide supplemental employment and training and related services to Native American youth on or near Indian reservations, or in Oklahoma, Alaska, and Hawaii. (WIA sec. 166(d)(2)(A)(ii).)

**§ 668.410 What entities are eligible to receive supplemental youth services funding?**

Eligible recipients for supplemental youth services funding are limited to those tribal, Alaska Native, Native Hawaiian and Oklahoma tribal grantees funded under WIA section 166(d)(2)(A)(i), or other grantees serving those areas and/or populations specified in § 668.400, that received funding under title II-B of the Job Training Partnership Act, or that are designated to serve an eligible area as specified in WIA section 166(d)(2)(A)(ii).

**§ 668.420 What are the planning requirements for receiving supplemental youth services funding?**

Beginning with PY 2000, eligible INA grantees must describe the supplemental youth services which they intend to provide in their Two Year Plan (described more fully in §§ 668.710 and 668.720). This Plan includes the target population the grantee intends to serve, for example, drop-outs, juvenile offenders, and/or college students. It also includes the performance measures/standards to be utilized to measure program progress.

**§ 668.430 What individuals are eligible to receive supplemental youth services?**

(a) Participants in supplemental youth services activities must be Native Americans, as determined by the INA grantee according to § 668.300(a), and must meet the definition of Eligible Youth, as defined in WIA section 101(13).

(b) Youth participants must be low-income individuals, except that not more than five percent (5%) who do not meet the minimum income criteria, may be considered eligible youth if they meet one or more of the following categories:

- (1) School dropouts;
- (2) Basic skills deficient as defined in WIA section 101(4);
- (3) Have educational attainment that is one or more grade levels below the grade level appropriate to their age group;
- (4) Pregnant or parenting;
- (5) Have disabilities, including learning disabilities;
- (6) Homeless or runaway youth;
- (7) Offenders; or
- (8) Other eligible youth who face serious barriers to employment as identified by the grantee in its Plan. (WIA sec. 129(c)(5).)

**§ 668.440 How is funding for supplemental youth services determined?**

(a) Beginning with PY 2000, supplemental youth funding will be allocated to eligible INA grantees on the basis of the relative number of Native American youth between the ages of 14 and 21, inclusive, in the grantee's designated INA service area as compared to the number of Native American youth in other eligible INA service areas. We reserve the right to redetermine this youth funding stream in future program years, in consultation with the Native American Employment and Training Council, as program experience warrants and as appropriate data become available.

(b) The data used to implement this formula is provided by the U.S. Bureau of the Census.

(c) The hold harmless factor described in § 668.296(c) also applies to supplemental youth services funding. This factor also will be determined in consultation with the grantee community and the Native American Employment and Training Council.

(d) The reallocation provisions of § 668.296(d) also apply to supplemental youth services funding.

(e) Any supplemental youth services funds not allotted to a grantee or refused by a grantee may be used for the
