

training programs (such as those related to the CETA program) or job recruiting services for the pocket's residents, then such proposed activities must be clearly and fully explained. HUD requires applicants to ensure that at least 75 percent of whatever permanent jobs initially result from the project are provided to low- and moderate-income persons and that at least 51 percent of whatever permanent jobs initially result from the project are provided to low- and moderate-income residents from the pocket. HUD encourages applicants to ensure that at least 20 percent of all permanent jobs are filled by persons from the pocket qualified to participate in the CETA program on a continuous basis. HUD requires all applicants to continuously use best efforts to ensure that at least 75 percent of all permanent jobs resulting from any Action Grant-assisted project are provided to low- and moderate-income persons and that at least 51 percent of all permanent jobs resulting from any Action Grant-assisted project are provided to low- and moderate-income residents from the pocket. The application should clearly describe how the applicant intends to meet initial and continuous job requirements. Private participating parties must meet these employment requirements in the aggregate. To enable the private participants to do so, lease agreements executed by a private participating party shall include:

(a) Provisions requiring lessees to follow hiring practices that the private participating party has determined will enable it to meet these requirements in the aggregate; and

Subpart H [Reserved]

Subpart I—State Community Development Block Grant Program

SOURCE: 57 FR 53397, Nov. 9, 1992, unless otherwise noted.

§ 570.480 General.

(a) This subpart describes policies and procedures applicable to states that elect to receive Community Development Block Grant funds for distribution to units of general local government in the state's nonentitlement areas under the Housing and Community Development Act of 1974. Other subparts of part 570 are not applicable to the State CDBG Program, except as expressly provided otherwise.

(b) HUD's authority for the waiver of regulations and for the suspension of requirements to address damage in a Presidentially-declared disaster area is described in 24 CFR part 5 and in section 122 of the Act, respectively.

(c) In exercising the Secretary's obligation and responsibility to review a state's performance, the Secretary will give maximum feasible deference to the state's interpretation of the statutory requirements and the requirements of this regulation, provided that these interpretations are not plainly inconsistent with the Act and the Secretary's obligation to enforce compliance with the intent of the Congress as declared in the Act. The Secretary will not determine that a state has failed to carry out its certifications in compliance with requirements of the Act (and this regulation) unless the Secretary finds that procedures and requirements adopted by the state are insufficient to afford reasonable assurance that activities undertaken by units of general local government were not plainly inappropriate to meeting the primary objectives of the Act, this regulation, and the state's community development objectives.

(d) Administrative action taken by the Secretary that is not explicitly and fully part of this regulation shall only apply to a specific case or issue at a specific time, and shall not be generally applicable to the state-administered CDBG program.

(e) Religious organizations are eligible to participate under the State CDBG Program as provided in § 570.200(j).
