§ 574.605 Applicability of OMB circulars.

The policies, guidelines, and requirements of 24 CFR part 85 (codified pursuant to OMB Circular No. A–102) and OMB Circular No. A–87 apply with respect to the acceptance and use of funds under the program by States and units of general local government, including public agencies, and Circulars Nos. § 574.625 Conflict of interest.

(a) In addition to the conflict of interest requirements in OMB Circular A–102 and 24 CFR 85.36(b)(3), no person who is an employee, agent, consultant, officer, or elected or appointed official of the grantee or project sponsor and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has family or business ties, during his or her tenure or for one year thereafter.

(b) *Exceptions: Threshold requirements.* Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (a) of this

section when it determines that the exception will serve to further the purposes of the HOPWA program and the effective and efficient administration of the recipient's program or project. An exception may be considered only after the recipient has provided the following:

(1) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(2) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(c) *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of paragraph (b) of this section, HUD will consider the cumulative effect of the following factors, where applicable:

(1) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;

(2) Whether the person affected is a member of a group or class of eligible persons and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(3) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

(4) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (a) of this section;

(5) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(6) Any other relevant considerations.

§ 574.630 Displacement, relocation and real property acquisition.

(a) *Minimizing displacement.* Consistent with the other goals and objectives of this part, grantees and project

sponsors must assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted under this part.

(b) *Relocation assistance for displaced persons.* A displaced person (defined in paragraph (f) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR part 24.

(c) *Real property acquisition requirements.* The acquisition of real property for a project is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(d) *Appeals.* A person who disagrees with the grantee's or project sponsor's determination concerning whether the person qualifies as a "displaced person," or the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the grantee. A low-income person who is dissatisfied with the grantee's determination on his or her appeal may submit a written request for review of that determination to the HUD Field Office.

(e) *Responsibility of grantee.* (1) Each grantee shall certify (i.e., provide assurance of compliance as required by 49 CFR part 24) that it will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section, and shall ensure such compliance notwithstanding any third party's contractual obligation to the grantee to comply with these provisions.

(2) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. Such costs also may be paid for with funds available from other sources.

(3) The grantee shall maintain records in sufficient detail to demonstrate compliance with these provisions.

(f) *Definition of displaced person.* (1) For purposes of this section, the term "displaced person" means a person (family, individual, business, nonprofit organization, or farm) that moves from
