§ 115.412 Will child support payments be accepted for deposit into a minor's supervised account?

The Secretary will not accept child support payments for deposit into a minor's supervised account.

§ 115.413 Who may receive funds from a minor's supervised account?

A custodial parent, a legal guardian, a person who has been recognized by the BIA as having control and custody of the minor, or an emancipated minor may be eligible to withdraw funds from a minor's supervised account if there is an authorized disbursement request that is based upon the terms of a BIA-approved distribution plan.

§ 115.414 What is an authorized disbursement request?

An authorized disbursement request is the form or letter that must be approved by the BIA that specifies the funds to be disbursed from an IIM account. The authorized disbursement request may not be issued to disburse funds from a minor's supervised account unless an approved distribution plan exists, the amount to be disbursed is in conformity with the distribution plan and the disbursement will be made to an individual or third party specified in the plan.

§ 115.415 How will an authorized disbursement from a minor's supervised account be sent?

OTFM will make an authorized disbursement based on the approved distribution plan from a minor's supervised account by:

- (a) Making a direct deposit to a specified account at a financial institution (a direct deposit into the specified account will eliminate lost, stolen or damaged checks and will also eliminate delays associated with mailing the check);

(a) Federal law does not allow the United States post office to forward checks that are issued by the federal government. Therefore, a check from a minor's supervised account will not be forwarded to an address left with the United States post office. The new address of record must be provided directly to BIA.

(b) Where a forwarding address has been provided to the United States post office, the United States post office will forward a statement of performance and general correspondence regarding a minor's supervised account that is mailed to the minor's address of record for a limited time period. However, it is the responsibility of a custodial parent, legal guardian, or emancipated minor to give BIA the new address of record for the minor's supervised account.

§ 115.417 What portion of funds in a minor's supervised account may be withdrawn under a distribution plan?

Trust money in a minor's supervised account will not be distributed without a review of other resources that may be available to meet the needs of the minor. Any trust funds of a minor that are distributed must be used for the direct benefit of the minor and in accordance with any additional limitations (*e.g.*, statutory, court order, tribal resolution, etc.) placed on the use of specific trust funds. Allowable uses may include health, education, or welfare when based upon a justified unmet need. The BIA will require receipts for expenditures of funds disbursed from a minor's account to a custodial parent, legal guardian, person who has been recognized by the BIA as having control and custody of the minor, or an emancipated minor.
