Any adult, as defined in § 25.205, who operates a brewery under this part as an individual owner or in partnership with others, may remove beer from the brewery without payment of tax for personal or family use. Subpart M—Beer Returned to Brewery

§ 25.211 Beer returned to brewery.

(a) *General.* Beer, produced in the United States, on which the brewer has paid or determined the tax may be returned to any brewery of the brewer. Upon return of the beer to the brewery, the brewer shall determine the actual quantity of beer received, expressed in barrels. For cases or bottles, the label may be used to determine the quantity. When kegs or cases containing less than the original contents are received, the brewer shall determine the actual quantity of beer by weight or by other accurate means. The brewer shall determine the balling and alcohol content of returned keg beer unless the keg is equipped with tamper-proof fittings. The quantity of beer returned may be established by weighing individual packages and subtracting package weight, or by weighing accumulated beer and subtracting tare weight

of dumpsters, pallets, packages and the like.

(b) *Disposition of returned beer.* The brewer may dispose of beer returned under this subpart in any manner prescribed for beer which has never left the brewery. If returned beer is again removed for consumption or sale, tax will be determined and paid without respect to the tax which was determined or paid at the time of prior removal of the beer.

(c) *Records.* For beer returned to the brewery under this subpart, the brewer's daily records under § 25.292 will show:

- (1) Date;
- (2) Quantity of beer returned;
- (3) If the title to the beer has passed, the name and address of the person returning the beer; and
- (4) Name and address of the brewery from which the beer was removed, if different from the brewery to which returned.

(d) *Supporting records.* The records of returned beer will be supported by invoices, credit memoranda or other commercial papers, and will differentiate between beer returned to the brewery from which removed and beer returned to a brewery different from the one from which removed.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1334, as amended, 1335, as amended, 1390, as amended (26 U.S.C. 5054, 5056, 5415))

§ 25.212 Beer returned to brewery from which removed.

If beer on which the tax has been determined or paid is returned to the brewery from which removed, the brewer shall take the quantity of beer as an offset or deduction against the quantity of beer removed for consumption or sale from the brewery on that business day, as provided in § 25.159

(Sec. 201, Pub. L. 85-859, 72 Stat. 1335, as amended, 1390, as amended (26 U.S.C. 5056, 5415))

§ 25.213 Beer returned to brewery other than that from which removed.

(a) *Refund or adjustment of tax.* If beer on which the tax has been determined or paid is returned to a brewery of the brewer other than the one from which removed, the brewer may make a claim

for refund or relief of tax or may make an adjustment to the beer tax return, for the tax on the beer returned to the brewery. The brewer may not take an offset for beer returned to the brewery other than the one from which removed. Procedures for filing claims for refund or relief of tax or for making adjustments to the beer tax return are contained in Subpart T of this part.

(b) *Notice.* A brewer need not file notice of intention to return beer to a brewery other than the one from which removed unless required by the appropriate TTB officer. When a notice is required, the brewer shall serially number each notice and execute it under penalties of perjury as defined in § 25.11. The brewer must file it with the appropriate TTB officer. The notice will contain the following information:

(1) The number and sizes of kegs and the actual quantity of beer, in barrels; or the number of cases and the number and sizes of bottles within the cases and the actual quantity of beer, in barrels;

(2) The name and address of the brewery from which the beer was removed;

(3) A statement that the tax on the beer has been fully paid or determined and the rate at which the tax on the beer was paid or determined; and

(4) If the title to the beer has passed, the name and address of the person returning the beer.

(c) *Return of beer.* If the brewer is required to file a notice of intention to return beer to the brewery, the brewer may bring the beer onto the brewery premises prior to filing the notice. The brewer shall segregate the returned beer from all other beer at the brewery and clearly identify it as returned beer. The returned beer will be retained intact for inspection by an appropriate TTB officer until the notice has been filed and disposition authorized.

The brewer must submit this notice to the appropriate TTB officer.

(b) *Execution of notice.* The brewer shall serially number each notice and execute each notice under penalties of perjury as defined in § 25.11. The brewer shall specify the date on which the beer is to be destroyed; this date may not be less than 12 days from the date the notice is mailed or delivered to the appropriate TTB officer.
