OTHER PROVISIONS RELATING TO TOBACCO PRODUCTS

§ 40.251 Emergency storage.

In cases of emergency, the appropriate TTB officer may authorize, for a stated period, the temporary storage of tobacco products at a place outside the factory without the application for amended permit required under § 40.114, where such action will not hinder the effective administration of this part, is not contrary to law, and will not jeopardize the revenue. Application for authorization to so store tobacco products shall be submitted to the appropriate TTB officer by letter, in duplicate. All tobacco products so stored outside the factory shall be accounted

§ 40.253 Destruction.

When a manufacturer of tobacco products desires to destroy tobacco products which have been entered in the factory record as manufactured or received, without salvaging the tobacco, he shall notify the appropriate TTB officer by letter, in duplicate, of the kind and quantity of tobacco products to be destroyed, the intended method of destruction, and the date on which he desires to destroy such products. The appropriate TTB officer may assign an appropriate TTB officer to supervise destruction of the tobacco products or he may authorize the manufacturer to destroy such products without supervision by so stating on a copy of the manufacturer's notice returned to the manufacturer. When so authorized by the appropriate TTB officer, the manufacturer shall destroy the tobacco products by burning completely or by rendering them unfit for consumption. Upon completion of the destruction, the manufacturer shall
