§ 40.287 Remission of tax liability on shortage.

Whenever a manufacturer of tobacco products desires to submit a claim for remission of tax liability on shortages of tobacco products in bond, disclosed by physical inventory as set forth in § 40.255, he shall prepare such claim on Form 2635, in duplicate. Both copies of the claim shall be filed with the appropriate TTB officer. The claim shall specify the quantities of tobacco products on which claim is made and the tax liability in respect thereof, and shall set forth the circumstances surrounding the shortage and the reason the manufacturer believes tax is not due or payable. The appropriate TTB officer will, after such investigation as he deems appropriate, allow the claim to the extent he is satisfied the shortage was due to operating losses such as damage during grading, sorting, or packaging, and was not caused by theft or other unlawful or improper removal. Upon action on the claim by the appropriate TTB officer he will return the copy of Form 2635 to the manufacturer as notice of such action, which copy shall be retained by the manufacturer.

TOBACCO PRODUCTS WITHDRAWN FROM THE MARKET

§ 40.311 Action by claimant.

(a) *General.* Where tobacco products are withdrawn from the market and the manufacturer desires to file claim under the provisions of § 40.282 or § 40.283, he shall assemble the products in or adjacent to a factory if they are to be returned to bond or at any suitable place if they are to be destroyed or reduced to materials. All copies of the schedule shall be forwarded to the appropriate TTB officer.

For each claim involving large cigars withdrawn from the market, the manufacturer must include a certification on either Form 5200.7 or Form 2635 (5620.8) to read as follows:

The amounts claimed relating to large cigars are based on the lowest sale price applicable to the cigars during the required record retention period, except where specific documentation is submitted with the

claim to establish that any greater amount of tax claimed was actually paid.

After the manufacturer has disposed of the products (and destroyed the stamps, if any), he shall execute a certificate on both copies of the schedule returned to him by the appropriate TTB officer, to show the disposition and the date of disposition of the products (and stamps, if any). In connection with a claim for allowance the manufacturer then shall return the original of the schedule to the appropriate TTB officer who authorized such disposition, who will cause such schedule to be associated with the claim, Form 2635 (5620.8), filed under § 40.282. In connection with a claim for credit or refund the manufacturer shall attach the original of the schedule to his claim for credit, Form 2635 (5620.8), or claim for refund, Form 2635 (5620.8), filed under § 40.283. When an appropriate TTB officer is assigned

to verify the schedule and supervise disposition of the tobacco products, such officer shall, upon completion of his assignment, execute a certificate on all copies of the schedule to show the disposition and the date of disposition of the products. In connection with a claim for allowance the officer shall return one copy of the schedule to be included in the manufacturers records, and in connection with a claim for credit or refund, the officer shall return the original and one copy of the schedule to the manufacturer, the original of which the manufacturer shall attach to the claim, Form 2635 (5620.8), filed under § 40.283.
