employ an alternate method or procedure, he shall submit a written application to do so, in triplicate, to the appropriate TTB officer. The application shall specifically describe the proposed alternate method or procedure, and shall set forth the reasons therefor. Alternate methods or procedures shall not be employed until the application has been approved by the appropriate TTB officer. The importer shall, during the period of authorization of an alternate method or procedure, comply with the terms of the approved application. Authorization for any alternate method or procedure may be withdrawn whenever in the judgment of the appropriate TTB officer the revenue is jeopardized or the effective administration of this part is hindered. The importer shall retain, as part of his records, any authorization of the appropriate TTB officer under this section.

§ 41.27 Emergency variations from requirements.

The appropriate TTB officer may approve methods of operation other than as specified in this part, where he finds that an emergency exists and the proposed variations from the specified requirements are necessary, and the proposed variations—

- (a) Will afford the security and protection to the revenue intended by the prescribed specifications,
- (b) Will not hinder the effective administration of this part, and
- (c) Will not be contrary to any provision of law.

Variations from requirements granted under this section are conditioned on compliance with the procedures, conditions, and limitations set forth in the approval of the application. Failure to comply in good faith and with such procedures, conditions, and limitations shall automatically terminate the authority for such variations and the importer thereupon shall fully comply with the prescribed requirements of regulations from which the variations were authorized. Authority for any variations may be withdrawn whenever in the judgment of the appropriate
