The term also includes a school operated as an activity of an organization described in section 501(c)(3) of the Code which is exempt from income tax under section 501(a) of the Code, provided the primary function of such school is the presentation of formal instruction and provided such school normally maintains a regular faculty and curriculum and normally has a regularly enrolled body of pupils or students in attendance at the place where its educational activities are regularly carried on.

Such information must be in writing and may be noted on the purchase order or other document furnished by the purchaser to the seller in connection with each sale “except that a single notification containing the information described in this paragraph may cover all sales by the seller to the purchaser made during a designated period not to exceed 12 successive calendar quarters.”.

**§ 53.140 Registration.**

(a) *General rule.* Except as provided in §53.141, tax-free sales under section 4221 of the Code may be made only if the manufacturer, first purchaser, and second purchaser, as the case may be, have registered as required by this section. To secure a Certificate of Registry, the applicant must furnish the information required in paragraph (b) of this section.

(b) *Information to be submitted.* Except as provided in §53.141, any person who is eligible to sell or purchase articles free of a tax imposed by section 4181 of the Code and who has not registered with the Commissioner of the Internal Revenue Service prior to January 1, 1991 or with TTB in accordance with the provisions of this section shall, prior to making a tax-free sale or purchase, file TTB Form 5300.28, in duplicate, executed in accordance with the instructions contained on the reverse of TTB Form 5300.28. The person who receives an approved Certificate of Registry shall be considered to be registered for purposes of selling or purchasing articles tax free as provided in this section. ## § 53.141

### § 53.141 Exceptions to the requirement for registration.

(a) *State and local governments.* (1) A State or local government purchasing articles direct from the manufacturer for its exclusive use may, but is not required to, register as provided in § 53.140. To establish the right to sell articles tax free to a State or local government that is not registered, the manufacturer must obtain from an authorized official of the State or local government and retain in the manufacturer's possession either a properly executed exemption certificate, or a purchase order that contains the same information required to be furnished in an exemption certificate. See § 53.135(c) for the information necessary to substantiate a tax-free sale under such circumstances.

(2) Each State requesting registration will be assigned one Certificate of Registry. The registration number shown on this certificate may be used by all agencies, boards, and commissions of the State that are authorized by the State to make purchases for the exclusive use of the State. However, the registration number assigned to a State may not be used by any political subdivision of that State, such as a county or municipality. Each political subdivision of a State desiring to obtain a Certificate of Registry must obtain a separate registration number.

(b) *Sales or resales to foreign purchasers for export.* Persons whose principal place of business is not within the United States may, but are not required to, register in order to purchase articles tax free for export. To establish the right to sell articles tax free for export to a purchaser who is not registered and who is located in a foreign country or a possession of the United States, the manufacturer must obtain the evidence required by § 53.133(b).

## 27 CFR Ch. I (4-1-08 Edition)

(c) *United States.* The registration requirements of the regulations in this part do not apply to purchases and sales by the United States or any of its agencies or instrumentalities. The evidence required in support of such tax-free purchases and sales is a notation on the purchase order or other document furnished to the seller clearly indicating that the article or articles are being purchased tax free as authorized by chapter 32 of the Code.

(d) *Supplies for vessels and aircraft.* An article subject to an excise tax imposed by chapter 32 of the Code may be sold tax free by the manufacturer under the provisions of § 53.134 for use by the purchaser as supplies for a vessel or aircraft if both the manufacturer and the purchaser are registered under the provisions of § 53.140. The article also may be sold tax free for such use even though neither the manufacturer nor the purchaser is so registered if the provisions of paragraph (d) of § 53.134 are satisfied.

[T.D. ATF-308, 56 FR 303, Jan. 3, 1991, as amended by T.D. ATF-312, 56 FR 31084, July 9, 1991]

### § 53.142 Denial, revocation or suspension of registration.

(1) The registrant is not a bona fide manufacturer, or a purchaser reselling direct to manufacturers or exporters;

(2) The registrant is for some other reason not eligible under these regulations to retain a Certificate of Registry; or

(3) The registrant has used his registration to avoid payment of the tax imposed by section 4181 of the Code, or to postpone or interfere in any manner with the collection of such tax;

(4) Such denial, revocation, or suspension is necessary to protect the revenue; or

(5) The registrant failed to comply with the requirements of paragraph (c) of § 53.140, relating to the evidence required to support a tax-free sale.
