

§ 53.176

(2) *Redetermination of price readjustments for year in which charge was made.* If the tax imposed by chapter 32 of the Code was paid with respect to local advertising charges that were excluded in computing the taxable price of an article sold in any calendar year but are not repaid to the manufacturer's purchaser or any subsequent vendor before May 1 of the following calendar year, the manufacturer may make a redetermination, in respect of the calendar year in which the charge was made, of the price readjustments constituting an overpayment which the manufacturer may claim as a credit or refund. This redetermination may be made by excluding the local advertising charges made in the calendar year that became taxable as of May 1 of the following calendar year.

§ 53.176 Supporting evidence required in case of price readjustments.

No credit or refund of an overpayment arising by reason of a price readjustment described in § 53.174 or § 53.175 shall be allowed unless the manufacturer who paid the tax submits a statement, supported by sufficient available evidence:

- (a) Describing the circumstances which gave rise to the price readjustment,
- (b) Identifying the article in respect of which the price readjustment was allowed,
- (c) Showing the price at which the article was sold, the amount of tax paid in respect of the article, and the date on which the tax was paid,
- (d) Giving the name and address of the purchaser to whom the article was sold, and
- (e) Showing the amount repaid to the purchaser or credited to the purchaser's account.

§ 53.177 Certain exportations, uses, sales, or resales causing overpayments of tax.

In the case of any payment of tax under chapter 32 of the Code that is determined to be an overpayment by reason of certain exportations, uses, sales, or resales described in section 6416(b)(2) of the Code and § 53.178, the person who paid the tax may file a claim for refund of the overpayment or, in the case of

27 CFR Ch. I (4-1-08 Edition)

overpayments under chapter 32 of the Code, may claim credit for the overpayment on any return of tax under this subpart which the person subsequently files. However, under the circumstances described in section 6416(c) of the Code and § 53.184, the overpayments under chapter 32 may be refunded to an exporter or shipper. No interest shall be paid on any credit or refund allowed under this section. For provisions relating to the evidence required in support of a claim for credit or refund under this section, see 27 CFR 70.123 (Procedure and Administration) and 53.179. For provisions authorizing the taking of a credit in lieu of filing a claim for refund, see section 6416(d) of the Code and § 53.185.

§ 53.178 Exportations, uses, sales, and resales included.

(a) *In general.* The payment of tax imposed by chapter 32 of the Code on the sale of any article, will be considered to be an overpayment by reason of any exportation, use, sale, or resale described in any one of paragraphs (b) to (e), inclusive, of this section. This section applies only in those cases where the exportation, use, sale, or resale (or any combination thereof) referred to in any one or more of these paragraphs occurs before any other use. If any article is sold or resold for a use described in any one of these paragraphs and is not in fact so used, the paragraph is treated in all respects as inapplicable.

(b) *Exportation of tax-paid articles.* A payment of tax under chapter 32 of the Code on the sale of any article will be considered to be an overpayment under section 6416(b)(2)(A) of the Code if the article is by any person exported to a foreign country or shipped to a possession of the United States. It is immaterial for purposes of this paragraph, whether the person who made the taxable sale had knowledge at the time of the sale that the article was being purchased for export to a foreign country or shipment to a possession of the United States. See § 53.184 for the circumstances under which a claim for refund by reason of the exportation of an article may be claimed by the exporter or shipper, rather than by the person who paid the tax. For definition of the

term “possession of the United States”, see § 53.11.

(c) *Supplies for vessels or aircraft.* A payment of tax under chapter 32 of the Code on the sale of any article, will be considered to be an overpayment under section 6416(b)(2)(B) of the Code if the article is used by any person, or is sold by any person for use by the purchaser, as supplies for vessels or aircraft. The term “supplies for vessels or aircraft”, as used in this paragraph, has the same meaning as when used in sections 4221(a)(3), 4221(d)(3), and 4221(e)(1) of the Code, and the regulations thereunder (§ 53.134(b)(1)).

(d) *Use by State or local government.* A payment of tax under chapter 32 of the Code on the sale of any article will be considered to be an overpayment under section 6416(b)(2)(C) of the Code if the article is sold by any person to a State, any political subdivision thereof, or the District of Columbia for the exclusive use of a State, any political subdivision thereof, or the District of Columbia. For provisions relating to tax-free sales to a State, any political subdivision thereof, or the District of Columbia, see section 4221(a)(4) of the Code and § 53.131.

(e) *Use by nonprofit educational organization.* A payment of tax under chapter 32 of the Code on the sale of any article will be considered to be an overpayment under section 6416(b)(2)(D) of the Code if the article is sold by any person to a nonprofit educational organization for its exclusive use. The term “nonprofit educational organization”, as used in this paragraph (e), has the same meaning as when used in section 4221(a)(5) or (d)(5) of the Code, whichever applies, and the regulations under § 53.136.

§ 53.179 Supporting evidence required in case of manufacturers tax involving exportations, uses, sales, or resales.

(a) *Evidence to be submitted by claimant.* No claim for credit or refund of an overpayment, within the meaning of section 6416(b)(2) of the Code and § 53.178, of tax under chapter 32 of the Code shall be allowed unless the person who paid the tax submits with the claim the evidence required by

§ 53.172(b)(2) and a statement, supported by sufficient available evidence:

(1) Showing the amount claimed in respect of each category of exportations, uses, sales, or resales on which the claim is based and which give rise to a right of credit or refund under section 6416(b)(2) of the Code and § 53.177,

(2) Identifying the article, both as to nature and quantity, in respect of which credit or refund is claimed,

(3) Showing the amount of tax paid in respect of the article or articles and the dates of payment, and

(4) Indicating that the person claiming a credit or refund possesses evidence (as set forth in paragraph (b)(1) of this section) that the article has been exported, or has been used, sold, or resold in a manner or for a purpose which gives rise to an overpayment within the meaning of section 6416(b)(2) of the Code and § 53.178.

(b) *Evidence required to be in possession of claimant—*(1) *Evidence required under paragraph (a)(4)—*(i) *In general.* The evidence required to be retained by the person who paid the tax, as provided in paragraph (a)(4) of this section, must, in the case of an article exported, consist of proof of exportation in the form prescribed in § 53.133 or must, in the case of other articles sold tax-paid by that person, consist of a certificate, executed and signed by the ultimate purchaser of the article, in the form prescribed in paragraph (b)(1)(ii) of this section. However, if the article to which the claim relates has passed through a chain of sales from the person who paid the tax to the ultimate purchaser, the evidence required to be retained by the person who paid the tax may consist of a certificate, executed and signed by the ultimate vendor of the article, in the form provided in paragraph (b)(1)(iii) of this section, rather than the proof of exportation itself or the certificate of the ultimate purchaser.

(ii) *Certificate of ultimate purchaser.* (A) The certificate executed and signed by the ultimate purchaser of the article to which the claim relates must identify the article, both as to nature and quantity; show the address of the ultimate purchaser of the article, and the name and address of the ultimate vendor of the article; and describe the
