 - (i) Has a total risk-based capital ratio of 10.0 percent or greater; and
 - (ii) Has a Tier 1 risk-based capital ratio of 6.0 percent or greater; and

 - (iv) Does not meet the definition of a "well capitalized" bank.

(3) "Undercapitalized" if the bank has:

actions are hereinafter referred to generally as “reclassifications”) in the following circumstances:

(1) *Unsafe or unsound condition.* The Board has determined, after notice and opportunity for hearing pursuant to 12 CFR 263.203, that the bank is in unsafe or unsound condition; or

(2) *Unsafe or unsound practice.* The Board has determined, after notice and opportunity for hearing pursuant to 12 CFR 263.203, that, in the most recent examination of the bank, the bank received and has not corrected, a less-than-satisfactory rating for any of the categories of asset quality, management, earnings, liquidity, or sensitivity to market risk.

§ 208.44 Capital restoration plans.

(a) *Schedule for filing plan—(1) In general.* A member bank shall file a written capital restoration plan with the appropriate Reserve Bank within 45 days of the date that the bank receives notice or is deemed to have notice that the bank is undercapitalized, significantly undercapitalized, or critically undercapitalized, unless the Board notifies the bank in writing that the plan is to be filed within a different period. An adequately capitalized bank that has been required, pursuant to § 208.43(c), to comply with supervisory actions as if the bank were undercapitalized is not required to submit a capital restoration plan solely by virtue of the reclassification.

(2) *Additional capital restoration plans.* Notwithstanding paragraph (a)(1) of this section, a bank that has already submitted and is operating under a capital restoration plan approved under section 38 and this subpart is not required to submit an additional capital restoration plan based on a revised calculation of its capital measures or a reclassification of the institution under § 208.43(c), unless the Board notifies the bank that it must submit a new or revised capital plan. A bank that is notified that it must submit a new or revised capital restoration plan shall file the plan in writing with the appropriate Reserve Bank within 45 days of receiving such notice, unless the Board notifies the bank in writing that the plan is to be filed within a different period.

(b) *Contents of plan.* All financial data submitted in connection with a capital restoration plan shall be prepared in accordance with the instructions provided on the Call Report, unless the Board instructs otherwise. The capital restoration plan shall include all of the information required to be filed under section 38(e)(2) of the FDI Act. A bank that is required to submit a capital restoration plan as the result of a reclassification of the bank pursuant to § 208.43(c) shall include a description of the steps the bank will take to correct the unsafe or unsound condition or practice. No plan shall be accepted unless it includes any performance guarantee described in section 38(e)(2)(C) of that Act by each company that controls the bank.

(c) *Review of capital restoration plans.* Within 60 days after receiving a capital restoration plan under this subpart, the Board shall provide written notice to the bank of whether the plan has been approved. The Board may extend the time within which notice regarding approval of a plan shall be provided.

(d) *Disapproval of capital plan.* If the Board does not approve a capital restoration plan, the bank shall submit a revised capital restoration plan within the time specified by the Board. Upon receiving notice that its capital restoration plan has not been approved, any undercapitalized member bank (as defined in § 208.43(b)(3)) shall be subject to all of the provisions of section 38 and this subpart applicable to significantly undercapitalized institutions. These provisions shall be applicable until such time as the Board approves a new or revised capital restoration plan submitted by the bank.

(e) *Failure to submit capital restoration plan.* A member bank that is undercapitalized (as defined in § 208.43(b)(3)) and that fails to submit a written capital restoration plan within the period provided in this section shall, upon the expiration of that period, be subject to all of the provisions of section 38 and this subpart applicable to significantly undercapitalized institutions.

(f) *Failure to implement capital restoration plan.* Any undercapitalized member bank that fails in any material respect to implement a capital restoration plan shall be subject to all of the
