12 CFR Ch. II (1-1-08 Edition)

§ 268.404 Appellate Procedure.

(a) On behalf of the Commission, the Office of Federal Operations shall review the complaint file and all written statements and briefs from either party. The Commission may supplement the record by an exchange of letters or memoranda, investigation, remand to the Board or other procedures.

(b) If the Office of Federal Operations requests information from one or both of the parties to supplement the record, each party providing information shall send a copy of the information to the other party.

(c) When either party to an appeal fails without good cause shown to comply with the requirements of this section or to respond fully and in timely fashion to requests for information, the Office of Federal Operations shall, in appropriate circumstances:

(1) Draw an adverse inference that the requested information would have reflected unfavorably on the party refusing to provide the requested information;

(2) Consider the matters to which the requested information or testimony pertains to be established in favor of the opposing party;

(3) Issue a decision fully or partially in favor of the opposing party; or

(4) Take such other actions as appropriate.

§ 268.405 Decisions on appeals.

(a) The Office of Federal Operations, on behalf of the Commission, shall issue a written decision setting forth its reasons for the decision. The Commission shall dismiss appeals in accordance with §§ 268.106, 268.403(c) and 268.408. The decision on an appeal from the Board's final action shall be based on a de novo review, except that the review of the factual findings in a decision by an administrative judge issued pursuant to § 268.108(i) shall be based on a substantial evidence standard of review. If the decision contains a finding of discrimination, appropriate remedy(ies) shall be included and, where appropriate, the entitlement to interest, attorney's fees or costs shall be indicated. The decision shall reflect the date of its issuance, inform the complainant of his or her civil action rights, and be transmitted to the com-

plainant and the Board by first class mail.

(b) A decision issued under paragraph (a) of this section is final, subject to paragraph (c) of this section, within the meaning of § 268.406 unless the Commission reconsiders the case. A party may request reconsideration within 30 days of receipt of a decision of the Commission, which the Commission in its discretion may grant, if the party demonstrates that:

(1) The appellate decision involved a clearly erroneous interpretation of material fact or law; or

(2) The decision will have a substantial impact on the policies, practices or operations of the Board.

(c) The Board, within 30 days of receiving the decision of the Commission, shall issue a final decision based upon that decision.

§ 268.406 Civil action: Title VII, Age Discrimination in Employment Act and Rehabilitation Act.

A complainant who has filed an individual complaint, an agent who has filed a class complaint or a claimant who has filed a claim for individual relief pursuant to a class complaint is authorized under title VII, the ADEA and the Rehabilitation Act to file a civil action in an appropriate United States District Court:

(a) Within 90 days of receipt of the final action on an individual or class complaint if no appeal has been filed;

(c) Within 90 days of receipt of the Commission's final decision on an appeal; or

Filing a civil action under §§ 268.406 or 268.407 shall terminate Commission processing of the appeal. If private suit is filed subsequent to the filing of an appeal, the parties are requested to notify the Commission in writing.

Subpart F—Remedies and Enforcement

§ 268.501 Remedies and relief.

(a) When the Board, or the Commission, in an individual case of discrimination, finds that an applicant or an employee has been discriminated against, the Board shall provide full relief which shall include the following elements in appropriate circumstances:

(1) Notification to all employees of the Board in the affected facility of their right to be free of unlawful discrimination and assurance that the particular types of discrimination found will not recur;

(2) Commitment that corrective, curative or preventive action will be taken, or measures adopted, to ensure that violations of the law similar to those found unlawful will not recur;

(3) An unconditional offer to each identified victim of discrimination of placement in the position the person would have occupied but for the discrimination suffered by that person, or a substantially equivalent position;

(4) Payment to each identified victim of discrimination on a make whole basis for any loss of earnings the person may have suffered as a result of the discrimination; and

(5) Commitment that the Board shall cease from engaging in the specific unlawful employment practice found in the case.

(b) *Relief for an applicant.* (1)(i) When the Board, or the Commission, finds that an applicant for employment has

been discriminated against, the Board shall offer the applicant the position that the applicant would have occupied absent discrimination or, if justified by the circumstances, a substantially equivalent position unless clear and convincing evidence indicates that the applicant would not have been selected even absent the discrimination. The offer shall be made in writing. The individual shall have 15 days from receipt of the offer within which to accept or decline the offer. Failure to accept the offer within the 15-day period will be considered a declination of the offer, unless the individual can show that circumstances beyond his or her control prevented a response within the time limit.

(ii) If the offer is accepted, appointment shall be retroactive to the date the applicant would have been hired. Back pay, computed in the manner prescribed in 5 CFR 550.805, shall be awarded from the date the individual would have entered on duty until the date the individual actually enters on duty unless clear and convincing evidence indicates that the applicant would not have been selected even absent discrimination. Interest on back pay shall be included in the back pay computation where sovereign immunity has been waived. The individual shall be deemed to have performed service for the Board during this period for all purposes except for meeting service requirements for completion of a required probationary or trial period.

(iii) If the offer of employment is declined, the Board shall award the individual a sum equal to the back pay he or she would have received, computed in the manner prescribed in 5 CFR 550.805, from the date he or she would have been appointed until the date the offer was declined, subject to the limitation of paragraph (b)(3) of this section. Interest on back pay shall be included in the back pay computation. The Board shall inform the applicant, in its offer of employment, of the right to this award in the event the offer is declined.
