§ 347.203 Deposit insurance required for all branches of foreign banks engaged in domestic retail deposit activity in the same State.

The FDIC will not insure deposits in any branch of a foreign bank unless the foreign bank agrees that every branch established or operated by the foreign bank in the same state that engages in domestic retail deposit activity will be an insured branch.

§ 347.204 Commitment to be examined and provide information.

(a) In connection with an application for deposit insurance for a U.S. branch or depository institution subsidiary of a foreign bank that has been determined to be subject to comprehensive consolidated supervision by the appropriate Federal banking agency, as defined in section 3(q) of the FDI Act (12 U.S.C. 1813(q)), the foreign bank shall provide binding written commitments (including a consent to U.S. jurisdiction and designation of agent for service, acceptable to the FDIC) to the following terms:

(1) The FDIC will be provided with any information about the foreign bank and its affiliates located outside of the United States that the FDIC requests to determine:

(i) The relationship between the U.S. branch or depository institution subsidiary and its affiliates; and

(ii) The effect of such relationship on such U.S. branch or depository institution subsidiary;

(2) The FDIC will be allowed to examine the affairs of any office, agency, branch or affiliate of the foreign bank located in the United States and will be provided any information requested to determine:

(i) The relationship between the U.S. branch or depository institution subsidiary and such offices, agencies, branches or affiliates; and

(ii) The effect of such relationship on such U.S. branch or depository institution subsidiary.

(3) The FDIC will not process a deposit insurance application for any U.S. branch or depository institution subsidiary of a foreign bank if the foreign bank fails to provide the written commitments, consent to U.S. jurisdiction, and designation of agent for service required by this section.

(b) The FDIC will consider the existence and extent of any prohibition or restrictions, if any, on its ability to utilize the commitments, consent to U.S. jurisdiction, and designation of agent for service required by this section, in determining whether to grant or deny a deposit insurance application for the U.S. branch or depository institution subsidiary of the foreign bank. In addition, the FDIC may consider any additional assurances or commitments provided by the foreign bank, including that it will cooperate and assist the FDIC, without limitation, by seeking to obtain waivers and exemptions from applicable confidentiality or secrecy restrictions or requirements to enable the foreign bank or its affiliates to make information about the foreign bank and its affiliates located outside of the United States available to the FDIC for review.

(c) The foreign bank's commitments, consent to U.S. jurisdiction, and designation of agent for service shall be signed by an officer of the foreign bank who has been so authorized by the foreign bank's board of directors and in all instances will be executed in a manner acceptable to the FDIC and shall be included with the branch or depository institution application for insurance.
