

§ 563b.530

(d) OTS may deny an application under paragraph (a) of this section if the proposed acquisition:

- (1) Is contrary to the purposes of this part;
- (2) Is manipulative or deceptive;
- (3) Subverts the fairness of the conversion;
- (4) Is likely to injure you;
- (5) Is inconsistent with your plan to meet the credit and lending needs of your proposed market area;
- (6) Otherwise violates laws or regulations; or
- (7) Does not prudently deploy your conversion proceeds.

§ 563b.530 What other requirements apply after I convert?

After you convert, you must:

(a) Promptly register your shares under the Securities Exchange Act of 1934 (15 U.S.C. 78a-78jj, as amended). You may not deregister the shares for three years.

(b) Encourage and assist a market maker to establish and to maintain a market for your shares. A market maker for a security is a dealer who:

- (1) Regularly publishes bona fide competitive bid and offer quotations for the security in a recognized inter-dealer quotation system;
- (2) Furnishes bona fide competitive bid and offer quotations for the security on request; or
- (3) May effect transactions for the security in reasonable quantities at quoted prices with other brokers or dealers.

(d) File all post-conversion reports that OTS requires.

CONTRIBUTIONS TO CHARITABLE ORGANIZATIONS

§ 563b.550 May I donate conversion shares or conversion proceeds to a charitable organization?

You may contribute some of your conversion shares or proceeds to a charitable organization if:

- (a) Your plan of conversion provides for the proposed contribution;

12 CFR Ch. V (1-1-08 Edition)

(b) Your members approve the proposed contribution; and

(c) The IRS either has approved, or approves within two years after formation, the charitable organization as a tax-exempt charitable organization under the Internal Revenue Code.

§ 563b.555 How do my members approve a charitable contribution?

At the meeting to consider your conversion, your members must separately approve by at least a majority of the total eligible votes, a contribution of conversion shares or proceeds. If you are in mutual holding company form and adding a charitable contribution as part of a second step stock conversion, you must also have your minority shareholders separately approve the charitable contribution by a majority of their total eligible votes.

§ 563b.560 How much may I contribute to a charitable organization?

You may contribute a reasonable amount of conversion shares or proceeds to a charitable organization, if your contribution will not exceed limits for charitable deductions under the Internal Revenue Code and OTS does not object on supervisory grounds. If you are a well-capitalized savings association, OTS generally will not object if you contribute an aggregate amount of eight percent or less of the conversion shares or proceeds.

§ 563b.565 What must the charitable organization include in its organizational documents?

The charitable organization's charter (or trust agreement) and gift instrument must provide that:

(a) The charitable organization's primary purpose is to serve and make grants in your local community;

(b) As long as the charitable organization controls shares, it must vote those shares in the same ratio as all other shares voted on each proposal considered by your shareholders;

(c) For at least five years after its organization, one seat on the charitable organization's board of directors (or board of trustees) is reserved for an independent director (or trustee) from your local community. This director may not be your officer, director, or

employee, or your affiliate's officer, director, or employee, and should have experience with local community charitable organizations and grant making; and

(d) For at least five years after its organization, one seat on the charitable organization's board of directors (or board of trustees) is reserved for a director from your board of directors or the board of directors of an acquiror or resulting institution in the event of a merger or acquisition of your organization.

§ 563b.570 How do I address conflicts of interest involving my directors?

(a) A person who is your director, officer, or employee, or a person who has the power to direct your management or policies, or otherwise owes a fiduciary duty to you (for example, holding company directors) and who will serve as an officer, director, or employee of the charitable organization, is subject to § 563.200 of this chapter. See Form AC (Exhibit 9) for further information on operating plans and conflict of interest plans.

(b) Before your board of directors may adopt a plan of conversion that includes a charitable organization, you must identify your directors that will serve on the charitable organization's board. These directors may not participate in your board's discussions concerning contributions to the charitable organization, and may not vote on the matter.

§ 563b.575 What other requirements apply to charitable organizations?

(a) The charitable organization's charter (or trust agreement) and the gift instrument for the contribution must provide that:

(1) OTS may examine the charitable organization at the charitable organization's expense;

(2) The charitable organization must comply with all supervisory directives that OTS imposes;

(3) The charitable organization must annually provide OTS with a copy of the annual report that the charitable organization submitted to the IRS;

(4) The charitable organization must operate according to written policies adopted by its board of directors (or

board of trustees), including a conflict of interest policy; and

(5) The charitable organization may not engage in self-dealing, and must comply with all laws necessary to maintain its tax-exempt status under the Internal Revenue Code.

(b) You must include the following legend in the stock certificates of shares that you contribute to the charitable organization or that the charitable organization otherwise acquires: "The board of directors must consider the shares that this stock certificate represents as voted in the same ratio as all other shares voted on each proposal considered by the shareholders, as long as the shares are controlled by the charitable organization."

(c) As long as the charitable organization controls shares, you must consider those shares as voted in the same ratio as all of the shares voted on each proposal considered by your shareholders.

(d) After you complete your stock offering, you must submit four executed copies of the following documents to the OTS Applications Filing Room in Washington, and three executed copies to the OTS Regional Office: the charitable organization's charter and bylaws (or trust agreement), operating plan (within six months after your stock offering), conflict of interest policy, and the gift instrument for your contributions of either stock or cash to the charitable organization.
