

§ 703.15

12 CFR Ch. VII (1-1-08 Edition)

(3) Dividends on the share certificates are derived solely from the change in the domestic equity index over a specified period;

(4) The options' expiration dates are no later than the maturity date of the share certificate.

(5) The certificate may be redeemed prior to the maturity date only upon the member's death or termination of the corresponding option;

(6) The total costs associated with the purchase of the option is known by the Federal credit union prior to effecting the transaction;

(7) The options are purchased at the same time the certificate is issued to the member.

(8) The counterparty to the transaction is a domestic counterparty and has been approved by the Federal credit union's board of directors;

(9) The counterparty to the transaction:

(i) Has a long-term, senior, unsecured debt rating from a nationally-recognized statistical rating organization of AA- (or equivalent) or better at the time of the transaction, and the contract between the counterparty and the Federal credit union specifies that if the long-term, senior, unsecured debt rating declines below AA- (or equivalent) then the counterparty agrees to post collateral with an independent party in an amount fully securing the value of the option; or

(ii) Posts collateral with an independent party in an amount fully securing the value of the option if the counterparty does not have a long-term, senior unsecured debt rating from a nationally-recognized statistical rating organization.

(10) Any collateral posted by the counterparty is a permissible investment for Federal credit unions and is valued daily by an independent third party along with the value of the option;

(11) The aggregate amount of equity-linked member share certificates does not exceed the credit union's net worth;

(12) The terms of the share certificate include a guarantee that there can be no loss of principal to the member regardless of changes in the value of the

option unless the certificate is redeemed prior to maturity; and

(13) The Federal credit union provides its board of directors with a monthly report detailing at a minimum:

(i) The dollar amount of outstanding equity-linked share certificates;

(ii) Their maturities; and

(iii) The fair value of the options as determined by an independent third party.

(h) *Mortgage note repurchase transactions.* A federal credit union may invest in securities that are offered and sold pursuant to section 4(5) of the Securities Act of 1933, 15 U.S.C. 77d(5), only as a part of an investment repurchase agreement under § 703.13(c), subject to the following conditions:

(1) The aggregate of the investments with any one counterparty is limited to 25 percent of the credit union's net worth and 100 percent of its net worth with all counterparties;

(2) At the time a federal credit union purchases the securities, the counterparty, or a party fully guaranteeing the transaction, must have outstanding debt with a long-term rating no lower than A- or its equivalent and outstanding debt with a short-term rating, if any, no lower than A-1 or its equivalent;

(3) The federal credit union must obtain a daily assessment of the market value of the securities under § 703.13(c)(1) using an independent qualified agent;

(4) The mortgage note repurchase transaction is limited to a maximum term of 90 days;

(5) All mortgage note repurchase transactions will be conducted under tri-party custodial agreements; and

(6) A federal credit union must obtain an undivided interest in the securities.
