Subpart A—Mergers

§ 708b.101 Mergers generally.

(a) In any case where a merger will result in the termination of federal insurance or conversion to nonfederal insurance, the merging credit union must comply with the provisions of subparts B and C of this part in addition to this subpart A.

(b) A federally-insured credit union must have the prior written approval of the NCUA before merging with any other credit union.

(c) Where the continuing credit union is a federal credit union, it must be in compliance with the chartering policies of the NCUA.

(d) Where the continuing or merging credit union is a state credit union, the merger must be permitted by state law or authorized by the state authority.

(e) Where both the merging and continuing credit unions are federally-insured and the two credit unions have overlapping fields of membership, the continuing credit union must, within three months after completion of the merger, either:

(1) Notify all members of the continuing credit union of the potential loss of insurance coverage if they had overlapping membership,

(2) Notify all individuals and entities that were actually members of both credit unions of the potential loss of insurance coverage, or

(3) Determine which members of both credit unions may actually have uninsured funds six months after the merger and notify those members of the potential loss of insurance coverage.

(b) Where the continuing credit union is nonfederally-insured or uninsured but desires to be federally-insured as of the date of the merger, it must submit an application to the appropriate Regional Director when the merging credit union requests approval of the merger proposal. If the Regional Director approves the merger, the NCUSIF will assess a deposit and a prorated insurance premium (unless waived in whole or in part for all insured credit unions during that year) on any additional share accounts insured as a result of the merger.

(c) Where the continuing credit union is nonfederally-insured or uninsured and does not make application for insurance, but the merging credit union is federally-insured, the continuing credit union is entitled to a refund of the merging credit union's NCUSIF deposit and to a refund of the unused portion of the NCUSIF share insurance premium (if any). If the continuing credit union is uninsured, the NCUSIF will make the refund only after expiration of the one-year period of continued insurance coverage noted in paragraph (e) of this section.

(d) Where the continuing credit union is nonfederally-insured, NCUSIF insurance of the member accounts of a merging federally-insured credit union ceases as of the effective date of the merger.

(e) Where the continuing credit union is uninsured, NCUSIF insurance of the member accounts of the merging federally-insured credit union will continue for a period of one year, subject to the restrictions in section 206(d)(1) of the Act.
